The inclosing is a list of the double property returned to me for the Year 1829. C. A. Davis S. R.

The following Property is returned as undistributed for the Year 1829 - In this return some Property is listed that was not given in for the last year as well as the present. In such cases I have a figure what I deemed a fair valuation - Each person who has directed into piousness to their name is indebted to Lewis C. Nixon seventy cents, he claims under my Current Remittance such persons to give in their Lists of Capable Property as well among the list as the Undistributed Property.
