COTT CO. UNIVERSAL INDEX, OWNED AND MANUFACTURED
BY WALKER, EVANS & CORNWELL CO. CHICAGO, ILL.

Mr. B. - This system of collecting is practically not new, even with the substitution of a new material, but it is new inasmuch that these men travel and dig here in North Carolina, South Carolina, Georgia and Florida. The large land owners of these sections are, as a rule, the owners of the plantations and estates containing the general stores. The large land owners of Charleston, S. C., are members of these plantations and estates.
