

Peter Dillon.

File # 097

I Peter Dillon of the county of Guilford and State of North Carolina being of sound mind and memory yet considering the uncertainty of life and the certainty of death do think it needful to make, explain, constitute and appoint this my last will and Testament, that is to say I recommend my body to be buried in a Christian like manner at the discretion of my friends. My spirit I commend to God that gave it; and as touching my worldly substance, which I am blessed with it is my will that it should be disposed with in the following manner that is to say - I desire all my just debts and funeral charges to be paid in due time out of my moveable estate by my Executors.

I give and it is my will for Daniel Dillon, Son, to have my riding horse, bridle and saddle and all my wearing apparel to him & his heirs forever.

I give and bequeath unto my beloved wife the tract of land whereon I now live containing sixty seven acres and three quarters as also all the remainder of my Estate I give unto her and her heirs forever.

It is my will and I do hereby ordain, constitute and appoint my loving wife Charity and Daniel, Son, to be Executors of this my last will and Testament.

In witness whereof I have hereunto set my hand and seal this eighteenth day of the fifth month one thousand seven hundred and ninety five Two words interlined before and
