High Point Public Library
High Point, North Carolina

Dear Librarian:

It has come to the attention of Honorable Ben W. Fortson, Jr., Secretary of State and me that you have on file there, a Register of the Wayside Home, High Point, N. C., which is a record of all Confederates who stopped at the home. Since many Georgians registered in this Register showing their rank, company and regiment, I am wondering if you would allow our Department to borrow this Register to make a microfilm copy of it. In order to insure its safety, it could be sent to us via registered mail and I could return it to you the same way, reimbursing you for all postage. A microfilm copy would be of inestimable value to our Department. Please let us know if you can render us this service.

Sincerely yours,

(Mrs.) Mary G. Bryan, Director
