

The Part Mecklenburg Took in the War With Mexico.

North Carolina furnished one regiment of infantry only, to prosecute the war with Mexico, but Mecklenburg took no part in the formation of the regiment. The county raised a company of Light Horse, Capt. A. J. Harrison and Lieut. E. C. Davidson being commissioned to organize a company of Dragoons. When the company was full, they went to Charleston, S. C., and were conveyed by transports to Vera Cruz. They were in no such battles as we had in Virginia in 1861-'65, but did much service in guarding wagon trains and skirmishing with the enemy. The company returned home, having performed their duty, and were honored by the people at home and the officers honored with seats in the State Legislature.
