

dear children that all my burning affection be given to my son
Matthew Henderson (not sold) & he to make something like an
even part of the value thereof to my said daughters in my funeral
expenses &c. as they may all privately & prudently agree on.
And whereas there is a meadow parcel on the tract of land given to
my said seven daughters, & my said son Matthew Henderson has none
clear on his land, therefore I recommend that he & Matthew & they
my daughters do jointly clear a little more meadow joining the
other meadow & divide the Hay equally for their mutual benefit
while said Matthew lives so near them & assistance to them as
he has hitherto been. It is my desire that if
they find any property belonging to my Estate which is not intended
to be included in this will, that they see or dispose of it publickly
or privately as they judge prudent & pay off my just debts & the
Legacy of 10 dollars & whatever real residue there may be to divide
it equally among my said seven unmarried daughters -

Lastly, I hereby nominate & appoint my said son Matthew Henderson & my
son in law George Dobson to be my sole & sole Executors of this my
last will & Testament, Revoking all other wills either in word or
writing. Confirming this & no other to be my last will & Testament.
In Witness whereof I the said John Henderson have hereunto set
my hand & seal this 19th day of August A.D. 1809
Signed sealed published pronounced & declared by the said
John Henderson as his last will & Testament, who in his
