

Shoals, depths of Water, Ebbing & Flowing of the Tides,
the generally Winds, Setting of the Currents, Counties, Precincts, Towns,
Plantations, and leading Marks, with directions for all the
navigable Inlets, are carefully laid down and humbly dedicated,
by Your Graces, most humble, most dutiful & most Obedient Servants,

James Wimbley

District and Published according to act of Parliament Anno 1733.
