February Term 1826.

In the name of our Sovereign I Andrew Balfour of the County of Randolph in the State of North Carolina being weak of body and in a low state of health, but of perfectly sound and disposing mind and memory do make and declare this as my last Will and Testament. First, my Will and desire is that all my last debts be paid. 2^d My Will and desire is that my Wife should bind the Security together, and in that business I desire that she and my Executors hereafter named should keep the whole of my property in their hands, except such as they may think it will be well to the advantage of the Estate to sell. 3^d It is my Will and desire that three lots which I own in the Town of Newborough in the State of Virginia be sold to the best possible advantage, and as I have directed to sell the place whereon I now live to the Wardens of the Poor, my wish is that it should still be sold to them if they think proper to purchase in the terms I mentioned to them. 4th My Will and desire is that if my Wife should think proper to change her situation by a second marriage, that she should of all the personal property then on hand, that is House hold and kitchen furniture Farming utensils and Stock shall belong to her, and an equal share with my Children of the Real Estate. 5th My Will further is that all Money which may come into the hands of my Executors be the benefit of my Children. 6th My desire is that my Executors use their best endeavors to collect a debt which is due to me from David Brown of Indiana, and all other debts due to me, but I also wish that they would not distress any person for debt while it can be got in any other manner. 7th My Will and desire is that all my Slaves be emancipated as they severally arrive at the age of thirty years, and that my Executors make use of their best endeavors to have their emancipation effected. Lastly, I do hereby nominate my beloved Wife Mary Balfour Executor and my Friend and Brother in law John Bailey Executor of this my last Will and Testament in testimony whereof I have hereunto set my hand and affixed my seal this second day of December Anno Domini 1825.
