A. B. The report to the last term was rejected without argument
1819 July 20 agreeable to the above order we are at the
the trial the claim of James Williams & Co. and after taking
down in query we find the husband with four children that
to the state before us that the man in possession of the
following stock and provisions on the 11 day of November 1817
at the time of the said Williams and Co. were sufficient to
be all excepted for bread The beef which is stated to be
ten barrels after harvest no stock of no kind no hay no
cotton no sugar nor coffee nor wool nor tallow and after
taking the above into consideration we consider that the
Williams & children be allowed Eighty dollars in money
out of the State of the said state in addition to what
Harrison has given under our hand & seals
