It is my particular desire that my daughters shall have the advantage of a very good education in English and Mathematics - and my son Peter to have a graduated education at Chapel Hill, provided he shows a talent for books and literature, and if not, by all means a good classical education at home.

Sixthly - I claim title to two hundred acres of Land in Robeson County a part of the plantation on which about Eddy Fairly now resides, being so called Fairley's merely of said lands, and being levied on and sold by the Sheriff of this County and bid off by me, as will appear by reference to the deed. The said Land I do hereby give and bequeath all my right title, and interest in and to the same to my two young relatives my James and John Fairley sons of John and Pearly and his wife Christian to them, their heirs and assigns forever.

Sixthly, I give devise and bequeath to my children to wit: Mary Jane M^cEachin, Ann Eliza M^cEachin, Margaret Annabella M^cEachin, Sarah M^cEachin, Peter M^cEachin, and Flora M^cDonald M^cEachin, share and share alike the following negro slaves to wit: old Kate, and her children, and grand children, Peggy, Jack, Jim, Sarah, Leher, and her child, (now without name) Oliver, Pat, Adalene and Hannah, Leit, and her daughter Amanda and son George, Sarah Ann, Hannah and Charlotte, the Charnoy and her children David, Harry, Jack, Lehat, Eggy and Maria, also the negroes here in before devised to my wife Annabella during her life time only, She before mentioned Slaves and their increase, if any to the said Mary Jane, Ann Eliza, Margaret Annabella, Sarah, Peter and Flora M^cDonald M^cEachin their heirs and assigns forever, But that so soon as any of my said children arrive to the age of twenty one years, or should marry or may be about to marry then and in that case I authorize and desire that my executors and executor or either of them should call together three intelligent and disinterested free holders and being duly sworn to do justice, and should mine be willing to act I direct that application be made to the County Court to order three freeholdes either with or without my executor or executors to value the before mentioned negroes whether they be increased or decreased, and put them into as many lots as there may be of my children then surviving and the first lot so drawn shall be the property of the heir claiming such division, and the balance of the negroes to remain in common as before until another application and then proceed as in the first case until all the lots are drawn and the negroes thus drawn shall become absolutely the property of the heir drawn. The same and shall exclude the said heir from any further claims in this common stock of negroes unless some one of the children or heirs should die without legal issue, in which case the surviving ones shall inherit equally.

Seventhly It is my will and desire if the same can be conveniently done, from the monies arising from the sale of lands and proceeds of labour on the farm that a set of silver tea and table spoons together with any other furniture that can be spared be given to each of my daughters as soon as they arrive to the age of twenty one years or marry.

Eighthly It is my will and desire that all my negroes remain on the farm under the direction of my executor and executors as long as they may deem their services there profitable, in common stock, and that until a division shall take place, that all my children shall be entitled to the use of my mansion house, and be supported therein, free from any charge whatsoever I also direct that should any monies arising from the sale of lands, or should any lands remain unsold of those herein described and directed so to be disposed of, that such monies or lands be come the joint property of my children, male and female share and share alike including the proceeds of the farming business.

Tenth. I direct that my old man servant Dick remain on the plantation as long as the family stay together upon it and afterwards that he live with whichever of my children he likes best

Eleventh. If my executors and executor should think proper I hereby authorize and empower them to hire any of my negroes and if a pressing emergency should arise to sell any of said negroes returning to my estate to be divided among my children a full equivalent for such slaves or slaves or sold.

Twelfth. It frequently happens that young Ladies and more particularly those who are left Orphans, intermarry with men who squander their estates: and prudent men from their associations with the world often become involved in pecuniary difficulties by which their families are subjected to want. To remedy such a result to my daughters as far as practicable. I hereby enjoin it upon them as the last admonition of a fond parent, that they consist themselves with no man in matrimony without first having the small estate I am enabled to leave them properly secured to themselves, during their lives and afterwards to their children, beyond the possibility of being in any manner deprived of it by sale or otherwise. And I do hereby particularly enjoin on my executors and executor to see that such instruments, in the event of the marriage of my daughters, or either of them be drawn up by some Gentleman of the Bar learned in the Law, and executed before the marriage of my daughters or either of them.

Thirteenth. It is my desire that my executors and executor out of the first monies which can be collected and shared for the purpose, purchase a piece of land to contain not less than one hundred and fifty Dollars, for the use of my daughters, and that the same remain on the plantation for their use so long as they or either of them stay on the plantation, and afterwards to be the property of my youngest daughter Mrs. M^{rs} Donald M^r Cochran.

Fourteenth and lastly. I nominate and appoint my beloved wife Annabella Executrix and my nephew Peter M^r Cochran Executor to this my last will and testament, hereby revoking all former wills and testaments by me made
