I Archibald Watkins of Rockingham County
 State of north carolina leave this as my last act
 of my life being that all my last debts to be paid
 and if it should be necessary for any of my prop-
 erty to be sold that my wife should have her choice
 to dispose of any that she should make choice of
 Thereafter taking her part the balance to be
 divided equally between my six children. What is
 now single I have out Nancy Webster as I think
 I have given her more than the rest can possibly
 get to their parts I will that my wife should
 have the management so help me God. Probatum
 and Cleburne win it to be bound out
