In the name of God amen I welloughly Sec of the
County of Pockingham and State of North Carolina
being very weak in body but of perfect mind and
memory that's begun to grow calling to mind the
mortality of my body and knowing that it is appo-
inted unto all men once to die do make and or-
dain this my last will and testament that is to
say principally and first of all I give and recom-
mend my soul into the hands of almighty God
that gave it and my body I consign to the earth
to be buried in decent Christian burial not about-
ing but I shall receive the same again at the
last day by the almighty power of God and
touching such worldly estate as God has blessed me
with in this life I give and dispose of it in the
following manner
I give and bequeath to my daughter Jacob Lee one
hundred and fifty acres of Land including the
dwelling house which I purchased of Mr. Martin
Denney which bequest of Land I desire to be

231
Laid off by the rules of Reason and Justice and at the
discretion of my surviving Companion and my execu-
tors ~~to~~ to comprehend as much water wood and good
ground as the nature of the situation will admit
in order to make the same comfortable to live upon
and also to be in such form as shall best comport
with its own worth and with all the other Legacies
of Land hereafter mentioned

I give and bequeath to my younger son Willoughby
Lee one hundred and fifty acres of Land including
the dwelling house where my family now reside to
be laid off just according to the prescriptions
given in the foregoing Legacy unto his eldest
brother I give and bequeath to my daughter Ellenor
Thompson Henry Lee Fanny Lee and Harri Lee
severally all the balance of my Land to be divided
equally among them every one according to its
real value which balance of Land I wish to be laid
off among them so as to make each single legacy
of the greatest possible advantage to the Legatee
that owns it and whereas my eldest daughter
Elizabeth Thompson has had already her portion
of Land intended her it is my will that she have
no more of that article

I give and bequeath to my beloved wife Fanny
Lee during her natural life or widowhood all
my moveable property to use according to her
disagement and discretion for the benefit of herself
and my younger children and then to distribute
the same among all my heirs agreeable to her
own option and desire I however recommend her

232
her to give my boys all the Farming utensils and
to make them and their unmarried Sisters equal to
my two married Girls in point of Living stock and
of house hold furniture if there be enough of an
overplus to give it as she please but in as much
as all human things are frail and we cannot
tell what may happen it is my will that if my
beloved wife through any infirmity should loose
that capacity or inclination of which I now think
to be her disposed to manage the property bequeathed
into her hands in an advantageous manner and
should waste the same to the great injury of
the Legacies or make distributions that are
highly unjust I desire that my executors shall
then at the proper times divide said property
according to the instructions given above to my
beloved wife or if in case my wife should marry
again I wish my executors to have the manage-
ment of said property and my wife to enjoy what-
ever the Law allows. I further recommend and
advise my wife during her widowhood to
live with my sons and for them to maintain
and take good care of her in her advanced
age should she need their assistance if she
chooses not to live with them she is free and
I wish her to be so further should one of my sons
die without issue I desire his brother to have
his inheritance and if any one or more of my
daughters die without issue I desire the sur-
viving Sisters or their heirs to have their por-
tion of the deceased

233 I wish all of my Just debts to be paid out of my estate by my executor and all claims settled lastly I nominate and appoint my son Jacob Lee and my son in Law Henry Thompson to be the sole executors of this my will and renounceing all former wills whatsoever I do pronounce this and no other to be my last will and testament in witness whereof I have set here to my hand and seal this 16th day of June 1819.
