

To Campbell Esq - my gold Watch and Keys Item 7. Whereas my faithful servants Harry & Flora have deported themselves towards me with so much fidelity, It is my Will & desire that every comfort and indulgence be extended towards them, that is consistent with the policy of Laws of the Land and that no services save a general attendance on the sick of my family be required of them; well knowing the willingness of my children to gratify me in this particular. It is my will and desire that the said Harry and Flora be given to my sons Elias W. Woodruff and Joseph Murray Winkell and daughter Martha Hardy Bailey & their heirs forever in trust Nevertheless to and for the separate use and behoof of each of my grand children as may first attain the full age of thirty years, and in the meantime the care & management of said slaves I confide to my son Joseph W. Winkell. Lastly I constitute and appoint Alexander H. Brown Executor of this my last Will and testament with the desire that he divides the same as above set forth as soon as the debts due by me are paid and not until then.
