No. 19

I William Tardiff formerly of Madmalaw Island, but now Residing on Charleston Neck being sick, but of sound and disposing mind, do make and declare this to be my last will and Testament. First, I leave my daughter Katy and her present and future issue and increase to the care and protection of the free portion of my family, to hold them in the same manner, as I have myself hitherto held her. It is further my will ~~and desire~~, that if my other slaves shall desire to be sold or if the sale of them be deemed expedient for the good of my Estate, my Executor shall have full power and authority to dispose of them to the best advantage. I also wish my boats to be sold and my horse and out of the proceeds my debts to be paid. The house and lot where I reside at present, I wish to be kept as a residence of my family, that is to say that my wife is to reside there (or have the right to do so) during her life, my children till marriage or till they arrive at full age. My son in Law and daughter have built a house on the lot, in which I reside, the house is theirs and they are to have the privilege of keeping it then, till their death or till the death of my wife, when my said lot is to be divided, at which time I authorize my Executors to make some arrangements with them respecting it. I appoint my son in Law ~~James Williams~~ wife to execute this my will and also my son in Law James Williams. In witness whereof I have hereunto set my hand this 28th May 1835 William Tardiff
