January 16, 1824. Qualified William M. Clure, Executor

16th South Carolina. In the Name of God Amen. I Andrew Flinn
N^o 20 of Charleston, D.D. being weak of body, but through the kindness
of divine providence still possessing sound mind & memory, do
make and ordain this my last Will & Testament in manner
following, that is to say. I amprimis, it is my Will that my
dearly beloved wife who hath ever been most affectionate kind
and tender shall remain in the full and uninterrupted possession
downship of all the property that was hers at the time of our
intermarriage and I confirm if need be in the most explicit man-
ner all the articles and clauses of a certain deed of settlement
executed sometime last Spring but the date not recollected, as
the deed is supposed to be in the public Office to be recorded: I
also give and bequeath unto my said wife the following articles
of property which I have purchased to wit, a four horse waggon, and
three mules, also an ox cart, as it is not recollected that there are
any other articles of that description on the plantation. I will never-
theless add that if there are any other articles or things there of
the above description I give them all to my wife. I also give & devise
unto my said wife a small slip of land adjoining to the plantation
called Willtown, which I bought from Mr Swinton whose deed to me
will sufficiently describe the piece of land: to have and to hold to my

and wife then heirs & assigns forever, as it is not recollectable whether the
household furniture in town and country was or was not included
in the deed or articles of settlement above alluded to in order to ensure
the same to my wife I do hereby give and bequeath unto my said
wife all my Household & Kitchen furniture of every description, both in
Town and country, together with all the plate & plated ware in our
possession. I also ^{give} and bequeath unto my said wife a schooner which
I have had built called the "Eliza of Charleston" with all her tackle
apparil & furniture. I have the fullest confidence that my dearly
beloved wife will consider the residue of my Estate which is small
as being exempted from the claim of Dower. Item Whereas I pur-
chased at Sheriff's Sales in Mcklenburgh County in North Caro-
lina some years since, through the agency of my friend
Joseph M^c Nitt Alexander Physician, a certain plantation or
tract of land sold under execution, as the property of my Brother
William Flinn, situated on the Waters of Pawcreek, the boundaries
and quantity of which are not known as the Sheriff's title taken
to me and in my name is supposed to be in the possession of
Doctor Alexander who made the purchase for me and which
will doubtless specify the sum of money paid for it, which plan-
tation hath ever since been in the possession of my said Brother,
now it is my Will that my said brother William Flinn shall with

now it is my Will that my said brother William Flinn shall within
three years after my decease pay unto my beloved daughter Mary
Augusta Flinn for her sole use and property the sum of money
without Interest which I paid through Doctor Alexander for that
land, and upon my said brother paying that sum of money
it is my Will that my Executrix and Executor hereafter named
shall make Titles for the said land unto my said brother and to
his heirs and assigns forever: but if my said brother should fail within
in three years from my decease to pay to my said daughter Mary
Augusta, the sum of money I paid for the said land then my title
thereto is to be retained and in that case I give and devise the tract
of land above alluded to unto my ^{said} Brother William Flinn to be held
& occupied by him for and during the term of his natural life,
and at his death I give and devise all and singular the said tract
of land with its rights, members & appurtenances unto my dearly be-
loved Daughter Mary Augusta Flinn and to her heirs & assigns forever.
I give and devise unto my said Daughter Mary Augusta, a
certain piece of land contiguous to the Willtown plantation which
I bought from the heirs or representatives of John Huger dec^d (which
I contracted for with John Dawson Esq. the particulars & quantity of which
will be seen by the Titles that were made & given by the family & to which

170. I refer) to have to hold all and singular the said piece of land
to my said Daughter & her heirs and assigns forever. I also give
and bequeath unto my said daughter Mary Augusta absolutely
the following negro Slaves, to wit, Jonathan, Helen, Sally, John,
Eliza all in one family, also a negro woman named Sally. I also give
and bequeath unto my said daughter Mary Augusta all my
Shares of Stock in the Union Bank in Charleston. Item I
bequeath unto the Theological Seminary at Princeton a Theolog-
ical work in four Volumes by Calmet, the residue of my library
to go to my residuary Estate. Item out of my residuary Estate it
my will that the Sum of Sixty Dollars be appropriated to purchase
or have made for each of the children, John Buckley Gimball
and Eliza B. Gimball, a mourning piece of such device or
workmanship as they may choose, which I beg them to accept & use
as a memorial of the paternal affection I have ever had
for them & of the tenderness & dutiful behaviour which has
marked their whole deportment: and I trust they will be persuaded
that my making no further provision for them out of my
estate is from no want of affection and the most tender solicitude
for their welfare, but from the circumstance that from the bounty
of Providence they will be well provided for otherwise, and I
am well assured that they will acquiesce with affectionate cheerfulness
in the provisions I have herein made for them.

Item. All the rest and residue of my real Estate real & personal I give devise and bequeath unto my said daughter Mary Augusta & to her heirs and assigns, forever: and I nominate & constitute my beloved wife to be Executrix and William Smith Junior to be Executor of this my last will and Testament.
