N. 4.

In the Name of God Amens, I Thomas Singleton being in perfect health, mind and memory and knowing that all mankind are subject to death at any time when pleaseth God to call for us, whither being assured, that we are prepared for the task or not which depends on our former conduct, and having some small property which God hath been pleased to invest me with I do nominate, constitute, make and ordain this my last Will and Testament, in a short manner and desire that my worldly affairs may be settled after my death in the following manner, to wit, Item it is my desire, that every just and lawful debt I owe may be paid, agreeable to the customs and laws of my Country. Item I leave unto Mary Singleton whom by matrimony is my lawful Wife

Twenty pounds sterling on condition that she shall
Item I give unto my
Son John Singleton my faithful negro boy Bato, to
be disposed of, as he my Son John shall see cause to
do, at the same time would wish him to be kindly
treated, and kept in memory of me. Item I
give unto my Son Pispely Singleton my Negro
man Will which he now has in his possession
to be disposed of as he may see cause. Item I
lend unto my daughter Susanah Wells the use
of my negro woman Sarah, during my daugh-
ters life, and after her death, I give the said ne-
gro woman Sarah together with her increase, if any
there should be, unto the lawfull heirs of my daugh-
ters body, but should she die without such heirs I in
that case leave the disposal of the said Negro woman
and her increase, if any there should be, to my
daughter alone to sell, give or dispose of, at her
own pleasure. Item I give and bequeath unto
my two Sons vizt. Bracey Singleton, and Pi-
pely Singleton that tract of land in St. Georges
Parish, Dorchester containing by the plat, one
thousund acres or upwards to be equally di-
vided between them, by impartial persons, as they
themselves shall choose, that is to say each choose one
and when divided the two brothers, to throw the
die, for choice the highest in sight, the first three
throws each the said land I leave to their own
disposal as they may see cause, to them and their
heirs. Item it is my desire, that two tracts of land
viz, one on big Lynches Creek known by the
name of Fortinburis, tract containing three hun-
dred acres, and upwards, also one tract on little
Lynches Creek, or the waters thereof, containing
three hundred acres and upwards the works
of both tracts, now in the hands of C. H. Da-
vid Reynolds whom I have sold them to.

that it is my desire, that the above two tracts of land may be run into a grant at the expence of my Estate, before any division of the same, and that after so done my Son John Singleton may have his choice of the two tracts and in failure of the same, that is to say should any thing so happen, that the said lands are not so secured in manner, that he may obtain and enjoy a legal title to one or the other of the aforesaid tracts of land, should that be the case, it is my desire that the sum of fifty pounds sterling may be paid, unto my Son John Singleton in lieu of the aforesaid tract of land out of my Estate within one year after my decease exclusive of his equal part of my Estate after the payments of my debts. Item it is my desire that after my death that my three fourths of the lot and house on broad street c^t No 45. may be sold at public vendue or auction one fourth the money arising from the sale thereof to be paid down in hand, in order to pay my debts, and the remainder to be paid, within eighteen months after the sale thereof the purchaser giving such security for the payment thereof, with interest from the date as shall be approved of, by my heirs and executors, also my Negro woman Penor, and my household furniture, to be sold, on the above mentioned terms, and the money arising from the aforesaid sales, after my debts are paid, to be equally divided between my three Sons and daughter that is to say Bracey Singleton, Ripley Singleton, John Singleton and my daughter Susanah Wells. Item it is my desire that whatever monies may be collected which may be due to me by the publick or private persons, or by all persons or person whatsoever may be collected as soon as possible and the same be equall

by divided between my three Sons and daughter that
is to say, Bracey Singleton, Ripley Singleton, John
Singleton and Susannah Wells with this reserve that,
that part coming unto my daughter Susannah
Wells, is by no means to be at the disposal of her
husband Capt. Samuel Wells, but to be let at inter-
est for the support of Capt. W^r Wells and her Children
which are to come, or to be, but now invisible but
in case my daughter should die without issue then
it is my desire that Capt. Saml. Wells may receive
and enjoy the one half of whatever monies may be
Mr. Wells's equal part and the other half to be equal
by divided between my three Grand Sons viz. Tho-
mas D. Singleton Son of Bracey Singleton and
Charles Strother and Thomas Singleton Strother, the
sons of William Strother, whom had those two Chil-
dren by my daughter Dorothy his Wife. Item it
is my desire that after the two aforesaid mentioned
tracts of lands are run into a grant, that my
grand Son Thomas D. Singleton son of Bracey
Singleton may have the one tract, that my Son
John Singleton should refuse taking that is to say
John to take choice of the two tracts. Item it is my de-
sire that the Child my negro woman Hanney is
now big with may be free, at the age of twenty five
years and if a boy it is my desire that my Son
Ripley Singleton may take charge of him as soon
as fit to leave the Mother, and teach him his trade
or cause it to be done, and give him a little educate-
on, and keep him as a servant or slave, until he
arrives to the years of twenty five, then to be set
free, and if a girl it is my desire that Son Ripley
Wife may take charge of it and teach it in her
way, and at the age as above mentioned, to be set
free, together with the Childs increase, if any there
should be at the same age of twenty five years, now
my reasons for my above request are as follows, viz

that it is my desire, that the above two tracts of land may be run into a grant at the expence of my Estate, before any division of the same, and that after I done my Son John Singleton may have his choice of the two tracts and in failure of the same, that is to say should any thing so happen, that the said lands are not so secured in manner, that he may obtain and enjoy a legal title to one or the other of the aforesaid tracts of land, should that be the case, it is my desire that the sum of fifty pounds sterling may be paid, unto my Son John Singleton in lieu of the aforesaid tract of land out of my Estate within one year after my decease exclusive of his equal part of my Estate after the payments of my debts. Item it is my desire that whatever monies may be collected which may be due to me by the publick or private persons, or by all persons on person whatsoever may be collected as soon as possible and the same be legu

by divided between my three Sons and daughter that
is to say, Bracey Singleton, Ripley Singleton, John
Singleton and Susannah Wells with this reserve that,
that part coming unto my daughter Susannah
Wells, is by no means to be at the disposal of her
husband Capt. Samuel Wells, but to be let at inter-
est for the support of M^r. Wells and her children
which are to come, or to be, but now invisible but
in case my daughter should die without issue then
it is my desire that Capt. Saml. Wells may receive

Charles Strother and Thomas Singleton Strother, the
sons of William Strother, whom had those two chil-
dren by my daughter Dorothy his wife. Item it
is my desire that after the two afore mentioned
tracts of lands are run into a grant, that my
grand Son Thomas D. Singleton son of Bracey
Singleton may have the one tract, that my Son
John Singleton should refuse taking, that is to say,
John to take choice of the two tracts. Item it is my de-

free, together with the Childs increase, if any there
should be at the same age of twenty five years, now
my reasons for my above request are as follows viz.

14th the gentleman whom I suppose to be the father of the Child the wench now goes with, is an intimate friend of mine and give me fifteen guineas at Camden, as a fee for acting in the manner as above mentioned, he knowing that I was sensible of his keeping the wench, his name I am under promise to have secret. Item I give my negro woman Nan no unto my grand son Thomas D. Singleton, under those conditions that the Child she now is by with, be disposed of as above mentioned and kept with its Mother, until it is three years old, then to be taken away and disposed of as I have directed, also it is my desire that the first Child she brings after this she now goes with, may be given to my Son John Singleton, and the next to Son Ripley Singleton, and the remainder part of her increase if any, to be the property of my Grand Son, to whom I have given the wench. And I do nominate and appoint my three Sons viz. Bracey Singleton, Ripley Singleton and John Singleton together with my Son in law Capt. Samuel Wells, as my Executors and for them to act under the advice of Col. C. Pinckney and William H. Gibbs Esquire.
