The Deposition of John Dear Martin of y^e said Age & Sex & Name
Said as followeth Viz.
That being a Passenger from y^e Island of Madagascar to y^e French in y^e West Indies in y^e
y^e ship called y^e Adventure whereof was Master or Commander Capt. William Kidd he very
well knew Mr. Samuel Bradley who was during y^e whole or most part of y^e said Voyage
well & really inasmuch that it was rare to see him y^e said Bradley upon Deck or any way
Conversant with y^e people in Board, unless it were to converse with them with y^e said
Management & imprudent Conduct in an Affair which he did then required y^e greatest Care and
discreet their in all serious & unbiassed Judgment & resolutions, so far forth that when y^e said
Kidd arrived with y^e said Ship near Anguilla the first night past they came to anchor
that departure from Madagascar the y^e said Bradley in this Deposition bearing not only
Advised y^e said Kidd & Company to go into that Port with their Ship & deliver & except the
Goods for y^e use & benefit of y^e said Ship of their former Ship, but also proposed & backed his
Advice with such reasons as y^e said Kidd & Company could not oppose or gain any way
with hard words & disdainful reproaches, Ever after that as he y^e said Bradley
Health & Strength would allow him he would be constantly pressing & urging y^e Capt. to go
into Jamaica or some other English Port, That y^e said Company of their former Ship might
have y^e Benefit & Interest of y^e said Ship they were then on board of, & if y^e said
Merchandise which were in her, but all y^e said Bradley could say, all he could offer
procures him nothing but y^e said reproaches & reviling of y^e Capt. & y^e rest of the
Company, Yet some of y^e said Company (touched with Compassion when they have seen
y^e said Bradley very weak & distressed & very much concerned & displeased with y^e Capt.
Mismanagement & Behaviour on board y^e said Ship) have told this Deposition that
he y^e said Bradley would have willingly & earnestly begged of y^e said Kidd that he might
have y^e said Ship & go on Shore at Anawant in y^e said Indies, but y^e said Capt. would not permit
him When y^e said Kidd would not be prevailed by y^e said Bradley to go into an English Port
& Government with y^e said Ship & Cargo, he y^e said Kidd & Company on board resided for y^e Island of
St. Thomas after where when we arrived y^e said Bradley still continued very much
& then & there likewise earnestly desired of y^e said Kidd that he might go on shore, upon
which this deponent heard y^e Boatman Mr. Michael Kalamay say that if he did go on
shore, he y^e said Bradley should carry nothing with him, & it so happened, For this deponent
very well knows that he y^e said Bradley was put on shore at St. Thomas & that upon arrival
of Rocks when he was hardly able to walk & had nothing given or delivered to him
by y^e said Capt. or any of y^e said Ship's Company unless it were his Coat with the waving
opposed therein, And further this deponent said that
