My Gov^r

Whereas by John Day Command of the Ship Hawk of London
to me in his Voyage from Jamaica for London aforesaid but
being absent due to reason of sickness and his infirmities he
did not think fit to come into his Chamber and put his halfe
in writing as he was bound to do by the Statute in that behalf
made by the London aforesaid

Close and Orders to authorize and require you Day of your
or send by the Ship Hawk and a Survey of the same to be
made by you made report to the Court as you can when
you find the said Ship sufficient Strong and Steady
Capable to be employed in all reasonable charges to be found a Voyage
to the Court to London or otherwise whither you shall think fit
and to send the same into the Court as you shall think fit
and to send the same into the Court as you shall think fit

My virtut of a heart: of Survey unto it directed from
the Court to report on board the Ship Hawk John
Command:

Whereas the names and und written have accordingly been on board
the Ship and have made many bold within and without board to the
Court and so the said Ship was rotten and Low
Crackes in the hull and the hull was rotten and the hull of the
a fair of wood could find to be away and, however it is all
examined to there is not left to be found a Voyage to England nor
of any kind to be reasonable charge in the Court of the said
Court the day of June 1655

- John Howell
- Mr: Pembury
- John Broad
- James Bousfield
- Humphrey Corquett

This day came before me the said John Howell the
Commander of the Ship Hawk of London aforesaid and John
Corquett and James Bousfield and John Pembury
and they have made a bold within and without board to the
Court and so the said Ship was rotten and Low
Crackes in the hull and the hull was rotten and the hull of the
a fair of wood could find to be away and, however it is all
examined to there is not left to be found a Voyage to England nor
of any kind to be reasonable charge in the Court of the said
Court the day of June 1655
