Love

I understand to give me 2000
 by the Secretary William Henry Lytle Esq; I never
 saw the original of Lytle's letter; I have always to
 be assured and disappointed the Secretary's letter
 says a tract of 2000 acres of land on the North side of
 the river, south of the falls in Berkeley County, to be
 given to the University of the State of Maryland.
 I wish to know how far the Secretary's letter
 is from the fact, and how far from the fact
 made as the above. I have never seen the
 original of the letter of the Secretary's letter.
