(Afanijah Worley's Will)

In the name of God Amen. I Afanijah Worley of the Town of Selma in the County of Dallas and State of Alabama, being mindful of my Mortality, and being at present in an infirm State of health, but of sound mind and memory, do make and publish this my last Will and Testament, in manner and form following, viz, First I devise to be decently buried after which I devise that all sum due to me in any manner whatsoever may be collected with as little delay as possible, and that all Just debts due to me may be paid as early as the means of doing so from collecting will permit, and believing that there is not a sufficient sum due to me to enable my Executors to discharge all the demands against me, it is my wish that my negro boy Joseph may be sold as soon after my death as practicable, on a credit of twelve months, and the money when collected to be applied to the payment of my notes in favour of the agents of the Selma Town Company, also I devise that the Truck remaining on hand together with all the tools of every description whatsoever belonging to, or appertaining to the Brick Yard, may be sold on a credit of twelve months, the proceeds to be applied to the payment of my debts. Also I devise that the East half of the South East Quarter of Section Ten in Town and Sub Division Range Eleven may be sold on a credit of twelve months, provided the same can be sold for one hundred dollars. It is my wish and desire, that all the lands which I own adjoining the Union of Selma may be let and retained by my Executor for the use and support of my Wife and Children, together with two female Negro Slaves, viz, Beliza and Mariah, all the house hold and kitchen furniture and the stock of every description whatsoever until my daughter Fanny Ann shall arrive at the age of sixteen years. Then to be sold and the proceeds equally divided between my Wife and Children share and share alike. And should my Wife again connect herself in marriage, before my aforesaid daughter shall have become sixteen years of age, in that case it is my desire that all the property which at that time may belong to my Estate may be sold either or hired out as my Executor may think most for the interest of my Wife and Children, and in either case my Wife is to receive a child's part. As my Estate is not of a value that will exempt my children from Labor, I am my desire that each of my Sons shall learn some Trade. I therefore

desires that my Executors will, as they shall severally arrive at the age of
Seventeen permit them to make choice of such trade as they may prefer, indenting
them for such length of time as he may deem necessary for them to acquire a
proper knowledge of the business they propose to learn. Finally for the exe-
cution and performance of all matters contained in this my last Will and
Testament as aforesaid I do hereby nominate and appoint my Brother Joseph
Warley to be my Executor. In Witness Whereof I have hereunto set my hand
and affixed my seal this eleventh day of January in the Year of our Lord
one thousand eight hundred and thirty. Signed Joseph Warley
