My estate I give and bequeath one sixth part of it at a fair valuation to my wife Hannah C Doxey and the balance to my heir should there be a surviving one and if not that portion intended for said surviving heir to be equally divided between my brothers and sesters or their heirs. Provided my heir should not become of age or should it be a female and die without an heir in that case also I wish the portion intended for it to be equally divided among my brothers and sisters or their heirs. Should there be more than one heir then I wish my wife to have one twelfth part of my estate and the balance equally divided between the two heirs; and in case either of them should die before they become of age or one or both of them being females die without an heir the property coming to either or both of them to revert to the surviving heir or be equally divided among my brothers and sesters as the case may be. The State of Alabama

My soul I return to god who gave and my body to the earth to be buried in a decent Christian manner, as my beloved wife may direct.

My children I wish equally and well taught the English language, and in order to enable my wife Jane Hamilton to raise & educate my children in the manner above stated I will and give her all my personal & real estate to be so managed by her as she may see proper during her life and at her death to be equally devided between my children Except however a family of Negroes given her by her father consisting of Esther, Dicia, Kitty, Sam, Bob & Martha, which I wish to be at her disposal.

By prudence & economy I have money enought to pay all my debts, the payment of them I leave my wife Jane and should there not be money enough she may sell any property that I have to raise a fund for that purpose.

Jefferson County } I Dudley Hamilton of said County on this the third day of January in the year of our Lord one thousand eight hundred and thirty eight of sound mind make this my last will and testament.

My soul I return to god who gave and my body to the earth to be buried in a decent Christian manner, as my beloved wife may direct.

My children I wish equally and well taught the English Language, and in order to enable my wife Jane Hamilton to raise & educate my children in the manner above stated, I will and give her all my personal & real estate, to be so managed by her as she may see proper during her life and at her death to be equally divided between my children Except however a family of Negroes given her by her father Consisting of Esther Dica, Kitty Sam Bob & Martha, which I wish to be at her disposal,

By prudence & economy I have money enought to pay all my debts, the payment of them I leave my wife Jane and should there not be money enough she may sell any property that I have to raise a fund for that purpose,

In testimony whereof I subscribe my name and affix my seal, Dudley [illegible] Hamilton, Seal
