and the day appointed for the settlement of the Estate of Elijah Cockburn dec'd I have examined into the accounts of the Estate and do allow the above as good vouchers there said to be cancelled paid by adm'r to Doct'r Woodcock of about $23. for which he has no vouchers & appears to my satisfaction Also that the administrator sold property which is unaccounted for to the amount of Doctor Woodcocks bill & therefore consider that the sale not returned remain in the hands of adm'r for indemnity for the payment of said account & it is also decreed that the heirs of said Elijah Cockburn receive of Reuben Huff the administrator the sum of $28.31 being the amounts found to be in his hands viz shares and the widow's dower & children's part Each the sum of $87.50 S. your knowledge of the situation of said real
estate that it would be more advantageous

Ans 3rd My opinion is that the said Sols and

to advantage and that the interest of the Estate
would be best promoted by a Sale of them
To the first interrogatory Ephraim D Reed answers

office at Huntsville Alabama for the N.E. quarter of Section 23 of Township 1 Range 8 that on said land one fourth of the purchase money had been paid to government the said land having many years since been entered under the credit system and when the minimum price of land was ten dollars per acre that under the minimum (so termed) fixed by Congress it only required eighty dollars cash to pay over the amount then due to the government for said land and your Orator considering the land to be at its value to the Estate of said Bullington and particularly in assisting the minor children by the small children your petitioner undertook to raise said sum of money and was only able to raise the sum by giving 25 per cent money at that time being very hard to raise owing to the great drain of money in the land offices your petitioner also paid in addition about $2. in procuring the Certificate & copy of his letters of agency &c for the purpose of obtaining the deed in the name of the heirs making in all of cash paid out (exclusive of the 25 per cent) about $82 entitled to the credit of $84.92 having the balance on his hands on the final settlement all of which transactions & payments were after the final settlement with the honorable Court of Plains Terms and was for the benefit of said Estate alone Now said it may please your honor your petitioner will be unable ever to get back one cent of money so advanced until the same is raised by a sale of a portion of said land that he believes a sale of a small part of the land be effected for cash or good terms should a sale could be made
