The State of Alabama, Limestone County, Court Clerk's Office.
 The foregoing account of sales is duly recorded in said Court
 this 23rd day of July 1859. J. B. Robert, Clerk.

Alabama, Limestone County. In the record of said
 Court. I, Thomas Parker of the Territory and County aforesaid,
 being in sound mind and disposing memory do make and
 reserve this my last will and Testament and do dispose of
 the property which it hath pleased the Almighty to give me
 in the manner and form following. To wit, That it is my
 Will and desire that my wife should sell my land on Limestone
 and that which I have on Green Creek and pay all my just
 debts as soon as convenient after my decease.
 Secondly, It is my Will and desire that my beloved wife
 Charlotte should have the whole of my estate during her widow-
 hood or until one of my children should marry, or
 arrive to twenty one years of age, and then I desire that
 my wife may dispose of such property as may suit her
 convenience, at its valuation and the property devised
 to said child and the same method pursued in succession
 as my children marry or come to lawful age, when such
 disposition be made the same to be considered as so much
 of the due proportionable part of my estate.
 Thirdly, If after my death my wife should marry, it is my
 desire that my estate should be divided into as many lots as
 my wife and children may number, the same to be conveyed to
 my wife and children I have and share alike, the residue
 of my estate to be sold on twelve months credit and the
 proceeds equally divided between my wife and children; should
 my wife not marry, after her decease I desire that the whole
 of my estate should be divided as above.
 Fourthly, I bequeath to my beloved wife the land which I have
 on Round Island Creek during her natural life, and after
 her decease to be sold and the proceeds to be equally
 divided between my children. Lastly, I constitute and ordain
 my wife Charlotte executrix to this my last Will Testament
 in witness whereof I have set my hand and seal this fourth day
 of June 1859. Thomas Parker
