Sir by the advice of Mr Thomas Butler Merchant Savannah an acquaintance & friend of mine I have a request to make of you, that you would attend to & Collect if payable the above account against the estate of Horace Fisk deceased & pay it over to Mr Butler who has directions from me to receive & transmit it to me.

I have written several times on the subject to several persons in the State of Alabama but have received no direct intelligence respecting the Estate. A few days since I saw Mr Butler who advised me to press

my account & send it on as soon as practicable & gave me your name as his attorney in your state. He informed me that he expected to be at Montgomery in the following winter. By attending to this subject as speedily as may be you will do me a special favor. I have furnished Mr Butler with a duplicate of the account to take with him in case this should be lost. I am ignorant of the laws of your state but hope the enclosed account will be found in due form

Yours &c Ezra Fisk.

The State of Alabama } Before me Robert Parker an acting Justice
Montgomery County } of the peace in and for the County of Montgomery
aforesaid Came Mr Camellia Bumbley administratrix of all and singular the Goods & chattles of which was of Wm D Bumbley deceased who made oath & sayeth that the foregoing contains a just and true Inventory of all the personall property of the aforesaid Wm D. Bumbley which has come into the hands of the said administratrix in this statement to be administered upon & that the foregoing is a true Schedule of all the notes or other evidences of debts which has come into her possession of which she has any knowledge or could to

to ascertain owing in this State and that the whole of the foregoing property was produced before the appraisers by them valued and that she has not knowledge or information of the existence of any other property belonging to said Estate

Sworn to and subscribed before me June 13th 1835.

Camellia Bumbley

To the Honorable Benajah S Bibb Judge of the County Court for Montgomery County The petition of Camellia Bumbley respectfully sheweth unto your Honor that Wm D. Bumbley died during the last winter in this County that his estate is not involved in debt but on the contrary is able to discharge all the demands against it without embarrassment & delay your petitioner further sheweth unto your Honor that the property as your Honor will perceive by reference to the appraisement returned to the Ct. Orphans Court for this County consists chiefly of negroes and lands the lands are extremely valuable and productive & negroes certain many Women & children your petitioner further sheweth to your Honor that the said Wm D. late Husband died intestate and that his destributees are your petitioner and her 2 Children the eldest of whom is not yet 6 years old your petitioner further sheweth to your Honor that she believes that more money could be realized for the said destributees by Cultivating the lands and by retaining the property together than by selling the lands & dividing the money or by a lease of the lands & letting the negroes to hire your petitioner further states that by a division of the property they would be exposed unequally to inconvenience the negroes and lands could not be divided in such a manner as to convey to them seperate plantations as well as if they were united into one besides the expense of maintaining the interest of the destributees seperate would be much greater than if united your petitioner states that duty & affection combine to induce her to action exclusive for support & care of her two children and she believes that the interests of all will be best preserved by continuing the property in one mass having no seperate interest and that her children will be in capable for the next ten years of exercising any effectual or legal control or to the estate to which they all entitled she therefore humbly requests of your Honor to grant to her the privilege of keeping the estate of William D. Bumbley together & the receipts from Sale or division for some specific term
