Friend Bates

Yours of the 11th inst is
before me when it came I was far from
home and did not return till in the
night consequently did not get it out of the
office time enough to look over the records
from the matters inquired after this morning.

I have found upon the old records
two cases which Mr Pope thinks were
transferred to Mr Randall although the
docket does not show the transfer in any
of the cases Thomas Lewis vs Bartlett & Co.
No 3561 Randall advanced the money.

Sherriff not having made it an au-
ction which was in his hands after he

I paid the money he took a private
transfer which the docket does not show
in the other case Samuel A Wallace
for the use of Hugh McComie vs Bartlett
& Bushy & B F Randall Pope thinks Randall
paid and also took a transfer which
the docket does not show The docket does
show ^{however} that these cases were revised at
Spring Term 1859 Cobb and Samuel
appearing as attys if the transfers can
not be found among the papers of
Randall it may be that they are in
the possession of those Gentlemen I have
also examined the records of a court
and can not find any
made by Hampton Bushy
I would be pleased to

if the information
one or other
