Interrogatory The following interrogatories were at the same time
and place that the above was taken propounded to and
answered by Consent by James Healy one of the ad-
ministrators of Robert Healy Dec'd To Wit,

273 Interrogatory 1st please state what you have received Robert Healy Dec'd
say in regard to his indebtedness to James W Capps
Answer 1st Some short time before Robert Healy Dec'd he
told me that he had Two hundred dollars in cash
for James W Capps that they were to have a settle-
ment and my understanding that said Two hun-
-dred dollars together with Mr Capps liability
to him now amounting to one hundred and
four 40/100 dollars was to be given Mr Capps in
consideration for the land on which Capps lives
and which had been bought by John P. Primm
at Sheriff sale and then redeemed by said Healy
as the friend of said Capps and that this additional
amount was to be paid because he believed the
amt paid to him was not a fair consideration
for the land &c
