 March 4th 1846
 C. G. Lawley, Clerk

The State of Alabama To the Honorable William S. Davidson
 Shelby County Judge of the County & Ephraim Cant
 of said County The petition of Edmund King represents
 a young Man that on the 18th day of May 1826 said
 Mason late deceased made & executed his last will &
 Testament by which he appointed Jack Shackelford and
 your petitioner Executors of said Will that afterwards and
 after the death of said Mason to wit on the 5th day of
 January 1827 said Executors qualified given Bonds and took
 upon themselves the Execution of said Will under an
 Appointment of your Honorable Court had the Estate of
 said Mason Inventoryed and appraised and that afterwards
 under Orders from your Honorable Court they proceeded
 to sell said Estate at different times and for amounts as
 follows to wit on the 7th March 1827 sold fifteen hundred
 & forty five dollars & cents \$1545.50
 that at the said Sale 9th July 1828 amount of said sale
 was Twelve hundred & fifty two dollars & 25^{cts} that at
 the same Sale 10th March 1829 amount mentioned therein
 was Eleven hundred & eighty seven dollars in all the sum of four
 thousand seven hundred & eighty eight dollars & 75^{cts}
 which amount came said Estate of said real & personal
 as reported that Negro Jack & Sam were sold for cash
 to pay judgments against said Estate and your said
 petitioner represents that said Will said Inventory and
 accounts of sales are all of record in your Hon. Court and of
 course there is prayed to be had thereto and that they with the
 return record in said case of the Execution of said Will and
 Settlement of said Estate is prayed to be taken as a part of the
 petition your petitioner further represents to your honor that
 an inventory of debts due the testator have been made out
 and reported to your Honorable Court a part of which
 has been collected and a part lost to the Estate for divers
 reasons your petitioner in his account current for final
 Settlement by him of his executorship hereafter to be filed
 in your Honorable Court will make a full true and com-
 plete exhibit of the amount collected by him on the
 sale of the property sold by the executors aforesaid as
 well the amount collected on the debts due the testator
 aforesaid with the disbursements for final Settlement

of said Estate & and your petitioner further represents that said Estate of said Estate was largely indebted, that the assets of the same have proved insufficient, to pay the same and the said Estate has been declared insolvent, by said Honorable Court to wit on the 16th of April 1828. And your petitioner humbly as that said Estate is insolvent, that the assets of said Estate, realized will not pay off the claims, presented against the same, and your petitioner here earnestly, that in his account current, for final settlement, he will fully exhibit such claims as have been presented against said Estate, given creditors, as well as how much at least, when as have come to his knowledge, and your petitioner further represents, that he under orders of your Honorable Court, has made pro rata distribution, of the assets in his hands among the creditors of said Estate, retaining an amount, as he supposed, and under the permission of your Honorable Court, to suit the expenses of collecting & settling the Estate, all of which in due time, will be by your petitioner, fully exhibited to your Honorable Court and your petitioner further represents, that many years ago the said Jack Shackelford, petitioner Co Speculator removed from the County of Shelby to the County of Lawrence, he has been so that petitioner is unable to represent much about the sale of said Shackelford in regard to the settlement of said Estate, but your petitioner supposes that said Shackelford has taken but little interest in the same and your petitioner here solemnly that he is a creditor, to a large amount of the Estate of said Estate and that he as such creditor, has a right to ask final settlement of said Estate, which your petitioner is obliged to do and here asks for final settlement of said Estate as a creditor of said Estate, and also as his pecuniary Executor and your petitioner further represents, that at the date of the petition petition January 1828, One Robert Fennell, purchased property to the amount of Nine Hundred and Fifty Dollars and gave his note, with said Jack Shackelford, for his security of which note the following is a copy to wit.

Given by us or before the 15th day of January next we or either of us promise to pay Edward King and Jack Shackelford Part of \$1000 Dollars Nine Hundred and Fifty Dollars for value received February 9th 1828

(Robert Fennell)
(Jack Shackelford)

And your petitioner here represents that said note, has never been paid or accounted for to the Estate of said Estate by said Fennell or said Shackelford, in any way, that in order to execute the Bill and pay the debt of said Estate, Petitioner put said note in the Court of said County on the day of which said action was defeated upon the plea of said Shackelford that

A Copy of which proceedings is copied transcribed Certified and here exhibited And prayed to be taken as a part of this petition which prevented a recovery of the same to the Estate and the fact that at the time of making said note and ever since the pecuniary conditions of said Fennell was at least precarious if not wholly insolvent that in order to collect said note petitioner brought suit on said note in the name of both Fennell and Shackelford and judgment rendered thereon and Execution issued and property returned on property found by the Sheriff and reference where had to said Court such a transcript of which is made a part hereof Exhibited &c and petitioner further represents that afterwards he filed his Bill in the Court of Chancery for said County against said Shackelford and prayed that he be compelled to account to a note petitioner for the amount of said note for settlement of the same and for several other things being advised that the rights of Petitioner were recognized in said Court of Chancery which Court under the law and motion of respondents was removed to Lawrence County Alabama the County of respondents Residence and there on the day of

An answer of respondents decided and decreed by the Court that Complainant could not recover in said Court and his suit and said Bill dismissed with costs which opinion and ruling of said Chancery Court our Court of Error was by your petitioner taken to the Supreme Court of said State & by said Supreme Court at pecuniary Term 1834 affirmed the opinion of which said Court in said Cause is reported in 8th Alabama Report new series Page 420 and reference is here had to the same and petitioner further represents that the said Robert Fennell has long since departed this life wholly insolvent that said sum of money or any part thereof could not have been collected from said Fennell

Since the maturity of said Note Your petitioner further represents that he has done all in his power for the collection of said debt except to apply to your Honorable Court which he now does and as a creditor of Testator Estate and on behalf of all the creditors of said Estate and as one of the executors of said Estate prays for final settlement of said Estate and that a rule issued from your Honorable Court directed to both the executors to appear before a day certain and at a place certain and show cause if any why a final settlement of said Estate should not be made or why an attachment to compel the same should not be granted or issued and that said executor be compelled to file their accounts Current and correct for final settlement of said Estate and that upon the final hearing and settlement of the same that said Shackelford be compelled to account for and pay over to the legal creditors of said Estate the amount of each note with interest thereon made by said Jacob & said Shackelford as aforesaid and that your Honor Peter Deemes in favor of said legal Creditors for the pro rata distribution amounts of said note as well for such amounts as may be found of the assets of said Estate in the hands of said Shackelford and that proper deemes be also entered in favour of said creditors against both executors and should the said Shackelford refuse said settlement and resist this application Petitioner prays that creditors of said Estate are permitted to make themselves parties thereto and that full perfect and complete settlement of said executors of said Estate be made with and to the creditors of the same and petitioner here again prays that the entire record of the execution of Testator said Will be taken and considered as a part hereof with all the papers belonging to the same and if in anything Petitioner has been wrong in asking he prays for general relief as fully and completely as can under the Law be done and as in duty lie

 McCreary and your petitioner further represents that
 the said Jane Watson in her last will and testament
 appointed as executors of said will Charles Richardson
 and John McClanahan and the said will was
 admitted to probate and the said executors were granted
 by order of the Court letters testamentary the twenty first
 day of December 1841 and it further appears from the
 files of said Court that the execution of said will
 has wholly devolved on one of the said executors John
 M. McClanahan and as no settlement has been had

Attorney for petitioner

The Executor John M. McClanahan replies to this petition
 that he cannot now make final settlement of the
 Estate of Testatrix for the following reasons there is
 between seven and eight Hundred ^{dollars} due the Estate in
 full and not collected and further that there is a
 bequest to Charles Richardson in the last will and tes-
 tament of Testatrix indefinite as the executor believes
 the amount of which will have to be determined by
 this or some other Court and the executor further states
 that the petitioner Alexander Watson has had the same
 Household Furniture of Testatrix bequeathed to him

and deeded specifically and that if a partial settlement
 was made this Executor has paid petitioner at least his
 part of the amount collected after the payment of the
 debts of Testatrix
