

This list is taken from a master list of all the Confederate Soldiers who are buried in the Lexington cemetery at Lexington, Kentucky. The Master List, entitled "Roster of Known Confederate Soldiers Buried in Lexington Cemetery," was compiled by Samuel R. Flora, who is a member of the John Cabell Breckinridge Camp #100, Sons of Confederate Veterans, Lexington, Kentucky. It is interesting to note that Major General John C. Breckinridge, the Confederate Secretary of War is buried in this cemetery.

Mr. Roberts' ancestor, Rigdon H. Brown, is among the soldiers interred at Lexington.
