In the Name of God, the
I John Bodine, Senior, of the Township of Castleton, County of Richmond and State of New York; Considering the uncertainty of this mortal life, and being of sound and perfect mind and memory, blessed be Almighty God for the same; Do make and publish this my last Will and Testament in manner and form following; that it may be known. — First, My will is and do give unto my beloved wife Catherine, for and during the time she shall remain my widow, in lieu of her dower, The full possession and use of all my Farm, with the dwelling house, out houses, Barns, meadow and Wood land thereto belonging, the same as is now possessed and owned by me. — Also I do give to her such household furniture and wearing apparel as she may choose and wish to have — And also I give to her one of my best Milch Cows. — As it respects all the residue and remainder of goods and chattels and moveable property belonging to me, I do order that it be sold at public sale by and at the discretion of my executors herein after named And the monies arising from the sales, and also all other monies, whether on Note, bond, or otherwise not disposed of after the payment of my just debts — I wish to be equally divided between my wife aforesaid and my children, John, Nathaniel, Vincent, Jacob, Abraham, Mary, Patty, Ann and Webb to them and their heirs share and share alike, — With the exception provision however of a deduction to be made from and out of the parts of John and Abraham and a special disposition in relation to Abraham's part as is herein after mentioned.

And further, it is my will and I do order, that upon the decease or intermarriage of my said wife, or sooner at any time after my decease, if it shall be thought best by my two executors and trustees generally, to make sale of my farm and of all my Real estate, and turn the same into money which in such case I am agreed to make thereby authority and empower to be done. — Then be it known, that the monies arising from the sale of my Farm, and all my Real estate I wish and direct to be equally divided between or among my wife and children above mentioned, subject as before

stated to the deduction and provisions ordered to be made in relation to the parts of John and Abraham, share and share alike to them their heirs, apportion forever; and if any of my said children shall die without lawful issue then my will is, that his or her part as the case may be, be equally divided among the surviving legatees and heirs; provided he or she is surviving. — In consideration of my son John having had the benefit of twenty eight acres of land for several years, I do therefore order him and his heirs to pay the sum of five hundred dollars, or the same to be deducted from his part and proportion of the monies coming to him, and the said sum I give and order to be equally divided among my children (sons) Vincent and Jacob, and the Reverend Peter Van Pelt to them their heirs and assigns forever. — With regard to my son Abraham, I having paid for him One hundred dollars not long ago, I do therefore order that sum to be deducted out of his part, and should any more just debts come against him, I do order them to be paid out of his part. — And further by reason growing methinks, of son Abraham's part and proportion of monies to be put out at interest, and he only to receive the Interest at such rate and the such time as may be as my executor shall be enabled to let him have it — leaving it at their discretion to let him have of the principal as circumstances shall require. — And further should he be troublesome and go to law, then in every such case, I order his part of the monies to be used by my executors in defending and carrying on such law suit. — Considering the peculiar situation of my daughter Patty, I do wish and order, as is also her request, her portion which is coming to her in money out of my estate, to be put in the hands of the Reverend Peter Van Pelt and Isaac P. Housman, and I do accordingly leave Pattys portion in trust with them, to be disposed of and managed as they in their judgment shall think to be best for her. — And Lastly, I do appoint my friends Peter Van Pelt and Richard Bonner and my son Jacob Bodine executors of this my last Will and Testament, hereby revoking all others wills by me made. — In witness whereof I have hereunto set my hand and seal this twenty ninth day of September in the year of our Lord, one thousand eight hundred and twenty nine, 1829.

Signed, Sealed, published & declared by

the above named John Bodine, Sen^r. to be his
