Washington, D. C. 20036

This concludes the complete name index prepared by Margaret Elliott Higgins for the Abstracts of Marriage and Death Notices from the NATIONAL INTELLIGENCER, (Washington, D. C.), 1800-1850. Commencing are the abstracts:

The first page number of the abstracts is page 4. There are NO pages 1, 2, or 3.

There are only 3 items for the year 1800.

The abstracts on this Reel or Volume I run from 1800 through 1834. The page numbers begin with page 4 and go through page 769 on this roll.

Reel or Volume II begins with abstracts of 1835 beginning on page 770 and continuing through 1850, concluding with page 2655.

THE NATIONAL INTELLIGENCER issued its first copy on 31 October 1800. It discontinued publishing some time early in 1863.

In some instances, the exact date of death for certain men who served in the armed forces, or in Congress was not listed. Frank Metcalf and George Martin checked the following four references for the date as well as for additional information:

Wold's Biographical Directory of the American Congress, 1774-1927.

Heitman's Historical Register of Officers of Continental Army.

Heitman's Historical Register of the U. S. Army, 1798-1903.

U. S. General Navy Register, 1798-1847.
