Elizabeth Gadenhis	72	f				"	April		"	7 "
John H. Chapin	44	m			m	N. C.	October	Farmer	"	85 "

Remarks. It appears that one half of all the deaths in this report have been from ^{fever} dysentery which is not a common disease in this country. We are perhaps blessed with more pure springs than almost any country in the State - principally since with several Chalybeate and sulphur springs. The surface of the country is rather uneven the character of the soil is various.

SCHEDULE 3. Persons who Died during the Year ending 1st June, 1860, in 12th, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th in the
 County of Oswego State of Tennessee, enumerated by me, Henry Young
