Report of C. S. Crozier Guardian of Wm. H. Gamble
 To the Honorable County Court of Anderson County and
 State of Tennessee I beg leave to make the following
 Report in relation to the Estate of Wm. H. Gamble since my
 last Report I have had from his person nothing save one
 Stock of Cattle which I sold at Auction after giving
 notice of the day of sale & which was well sold at eight
 dollars The person living in A poor Condition and
 yielding little or nothing I conducted some of his relations
 upon the property of leasing it and was engaged
 to do so by him on the following terms by Article
 of Agreement with Thomas Boyles it was stipulated
 that he should put the place in thorough repair
 Cleaning & Clearing up all the enclosed land
 building dwelling House out houses &c & putting the
 whole place under a good fence for which service
 he was to have the whole length of said place for
 the term of two years which term will expire on
 31st Decr 1838 After which I think it likely an
 arrangement may be made by which the place
 will yield near as much without having to
 draw any or much on his personal effects by
 leasing it to some responsible person for his board
 and clothing otherwise his personal effects would
 be exhausted and the land would have the full
 rent I omitted to note the sale of 14 bushels
 of green Apples which amounted to \$4.40 making
 total of \$12.40 his Expansures for board and
 clothing &c have been \$18.12 this makes
 his board of \$6.72 to the 2^d day of August 1837 only
 his Clothing &c up to the present time all of which
 will make full of Apples from my Settlement with
