I have no idea as to who some of these people are, and would like to correspond with anyone who may know about them.

My grandparents were Oren H. and Susan Argo, would very much like to know who Susan was, my grandparents were Eliza Jones and Mary Jane Hoodenpytle Argo, and mother was Susie Argo Bonner, father C. F. Bonner.

I have an interesting family history on the Hoodenpytles from the time they came to America from Holland, and would exchange info.
