

CASS

9 April 1967

At the home of Ben Ervin, Mecca Pike out from Abonah and almost to intersection with Englewood - Mecca Pike road, there is the Church hole for the Prospect Methodist Church and there is a sheet of paper with the following names and dates on it, which appears to be copied from a Bible. In parentheses I have put information which I got from Mr. Ervin, age 85. The Church hole states that it is the second book and that the first was destroyed. It has very little early information in it. Benjamin Cass gave the land for the Church. His home is now occupied by Lester Toomey, across the road from Ben Ervin.
