I find that there is also 2 pages numbered 132, so make one 132 $\frac{1}{2}$, which then makes this pages should be 206, as there was a 32 $\frac{1}{2}$ in also.

Page 136 and 137 begin with same number, 2741, so that adds to Total Number 20 marriages, or in all should be 4103 couples.
