This completes the indexing of all names that have appeared in the 208 pages of Blount County, Tennessee marriage License and Bonds. The pages show 4,083 couples-on 204 pages as numbered, but there are 2 1/2 numbers, so 208 pages. Then two pages with same numbers adds 20, then I find that there are 10 couples, of years in 1800's, that were placed in inadvertently. So in fact there are a TOTAL of 4,113 Couples in the 208 Pages. The certificate was made before all these were found. With Certificate is 207 pages, the family name index, 27 page, now the J.P. & Ministers, and the Security names add 18 a grand Total of Two Hundred and Fifty pages (250), including this one and finished December 14 1932, having commenced on Sept 16 1932 and lost but few days, or hours.
