In the name of God Amen  
I Jacob Coxner planter and Miller of the County of Blount and State of Tennessee being very sick and weak in body but of perfect mind and disposing memory thanks be given unto almighty God for the same I am calling into mind the mortality of my body and being sensible that a dissolution is at hand I therefore make and ordain this instrument of writing to be my last will and testament revoking all others which may have been heretofore or hereafter made as respects such worldly estate as it has been pleased God to bless me with in this life I give and bequeath and do hereby dispose of the same to my wife Ann and substance as follows viz  
First of all my will is that all my personal property of every kind be sold by my executors herein mentioned to the best advantage either private or public as they may deem best and most advisable immediately after my death and the money arising from the sale thereof to be paid for the payment of all my just debts and legacies and the residue of the money if any remains my will is that it be reserved and used in paying a tract of land herein mentioned  
Second I give and bequeath to my grand children which are now or may hereafter be born to my daughter Nancy Snider all the land belonging to me of the tract of land annexed near line including the mill and all the low grounds and water as high up the creek as Beans line by estimation twenty acres more or less for the purpose of supporting them together until the youngest child arrives at the age of twenty one years and at that time I allow all the land mill and everything appertaining thereto to be sold by my executors or their successors to the best advantage and equally divided amongst the children of my daughter Nancy Snider as afore said to be to them their heirs and assigns forever and my will is also that my wife Sarah live together with my daughter Nancy Snider and my son in law

Cooper  
Jacob

Thomas Snider shall have their support on the above mentioned premises for the above mentioned time, and provided that my wife Sarah Cooper does not come to live on the above mentioned premises, I shall make no further provision for her in any way whatever, and furthermore if my legatees are all gone leaving themselves so as to make a settlement without selling the land or that all of them will be satisfied I allow them to do so (each being entitled to share and share alike either if the money arising from the sale of the premises or on equal interest in the premises or profits arising therefrom to be adjusted among themselves if they all agree, if not my wish is that my legatees herein mentioned settle that matter agreeably to the interest of this will.

I find that I had a number of other children which was born of my wife Sarah Cooper who has not yet been mentioned in this will because I have long since given them all thereof intended to give them and more to each child in cash, than I am able to give in this will to those legatees herein mentioned who have received nothing heretofore of me. Wherefore as a testimony of my return and regard for my children I give and bequeath to each of them twenty five cents viz. to Polly Brown, Sarah Trickett, Betsey (wife of Silas Robinson), David (son of Jacob Cooper) and Peggy (daughter of the twenty five cents to be paid out of the money arising from the sale of my personal property as before said and if they or either of them refuse to receive the twenty five cents it will remain for purposes before mentioned and applied to that use which is for that purpose of dividing the soon mentioned land of twenty acres more or less, including the Mill &c &c.
