Know all men by these presents, that I, Andrew Haddox, being of sound mind and disposing memory, do make and declare this to be my last Will and Testament-

It is my will:-

Item I. That my Executor pay, as soon after my death as practicable, all of the debts and expense incident to my sickness, death and funeral.

Item II. That the dairy now being conducted by myself and my eldest son, James N. Haddox, be continued without interruption by my said son and by my Executor for a period of seven (7) years after the date of my death and that the profits derived from the operation of said dairy be applied to the payment of a certain indebtedness now resting upon the farm whereon I now reside, however, if the above named time proves insufficient it is my will and desire that my executor, hereinafter named, shall extend the time for the benefit of my entire estate for the period of one year longer than the seven (7) year period as above specified.

My Executor however is not required to actively engage in the operating said dairy business but it is my desire that he work in co-operation with my son - James N. Haddox.

Item III. It is my will that my beloved wife, Lucy A. Haddox, shall have and hold all of my property both personal and real during her natural life time or during her widowhood.

Upon the death of my beloved wife it is my will and desire that my personal property be sold and that the proceeds arising from such sale be equally divided among my children or their ten living heirs.

Item IV. I am seized and possessed of an undivided one half (1/2) interest in 338 acres, more or less, of land in the Eleventh (11th) Civil District of Blount County Tennessee, being all of the same land conveyed to my son James N. Haddox and myself by Deed from Frank Maloney which Deed is of record in the Register's office of Blount County, Tennessee, and it is my will and desire that when the indebtedness now upon the property whereon I now reside shall have been discharged as provided in Item # 2 of this instrument and if my wife be not living that each of my children, to wit, James N. W. O., John L., Samuel A., Henry T., Oscar D., Nancy R., Margaret A. and Maria J. Haddox shall inherit an equal portion of my undivided interest in the farm whereon I now reside. Should any of my children be deceased at the

time of such distribution, it is my will that their portion of my estate shall be inherited by the bodily heirs of my children and should they die without issue their portion shall be inherited by their remaining brothers and sisters.

However should my wife be living at the date when my Executor shall have discharged the indebtedness now against my estate it is my will that she shall have both my real and personal estate during her lifetime or widowhood as stated in Item #3 and no distribution of my estate shall occur until after the discharge of the debt now against my estate and after the decease of my wife.

Item IV. It is my will and desire that the farm upon which myself and family reside, and which is all of the real estate that I have an interest in, remains undivided, and I counsel and advise each of my children to refrain from disposing of their undivided interests in said farm to any person outside of their own family, and I implore each of my children to refrain from the institution of suits of partition for the purpose of bringing the home to sale, as the heir instituting such proceedings will be imposing a hardship upon his brothers and sisters, with the possibility that the home will pass into the hands of strangers.

I hereby nominate and appoint my son William O. Haddox as my Executor and desire that he may be excused from giving bond as imposed by statute.

Witness my hand this December 27th, 1906.

Signed by the testator in our presence, and by the request of testator we subscribe as witnesses in the presence of each other on this 27th day of Dec. 1906.

I, Fleming H. Lamon, of Blount County, Tennessee, being in feeble health but of sound mind and memory, realizing the uncertainty of the length of life and the certainty of death, do hereby make and publish this my last will and testament, hereby revoking any will by me made in the past, that is to say:

First. I desire that all my just debts, and all expenses of my funeral, together with the cost and expense of suitable monument for myself and my wife, be paid as soon after my decease as convenient. I desire that the monument be one, suitable for marking the graves of both my wife and self.
