The President & Directors of the Bank of Tennessee The President & Directors of the South Western Rail Road Bank The President Directors & Co of the Union Bank of the State of Tennessee & others

On this 6th day of November 1844 this cause coming on for final hearing before the Hon Thomas D Williams Chancellor upon the pleadings exhibits & proofs & the cause & full & satisfactorily appears to the Court that the two Bills Single & the Complts Bill mentioned & copies of which are herein set forth belonged to the Estate of Godfrey Carriger Sen Deceased & that the Sums of Money therein mentioned belonged to & formed a part of the funds & assets of the Estate of the said Testator in the hands of said Christian Carriger as Surviving Executor of said Estate & as such was subject to the Satisfaction of the bequest & legacies in the Will of the Testator contained & could not rightfully be subjected to the Satisfaction of the individual debts or liabilities of said Executor, and it further appearing that at the Nov Term 1842 of this Court the said John Carriger obtained a decree against the said Christian Carriger as Executor as afore said for the sum of $1144.37 being one of the legacy bequeathed & claimed by the Bill of said testator which said decree remains wholly unsatisfied & which sum the said Christian Carriger was bound to discharge as Executor of said Estate but which cannot now be effected owing to the utter insolvency and removal of the said Christian beyond the limits of this State and it further appearing that upon said two Bill Single before mentioned judgment was obtained in the Circuit Court of Carter County in favor of said Christian Carriger in his Character of Surviving Executor of the Estate of said testator against John Nave the obligor or Maker of said two Bills Single & that Edwards & wife on the 7th day of May 1841 upon the dissolution of an injunction granted to the said John Nave in a Bill filed by him in this Court against against the said Christian Carriger as Executor &c to enjoin the Collection of said judgment obtained on said two Bill Single a decree was rendered in favor of said Christian Carriger Executor &c against said John Nave & David Love & John V Bowers his Securities in the injunction bond for the sum of $1144.37 being being the amount of said judgment at time with the interest thereon & the time of said decree and it further appearing that by a decree of this Court made on the day of May 1843 in a cause in said Court depending & Same Bank &

Said Christian Carriger & others the Respts in this Case the President & Directors of the State Banks were substituted & the right & interest of Said Christian Carriger Exr &c in & to said Decree for said Sum of $2379.57 obtained against said John Nave & his Securities as aforesaid in Satisfaction of the personal & individual debts & liabilities of Said Christian Carriger in his own right to Said Banks which Substitution in the opinion of the Chancellor was Clearly Legal & Unquestionable and it further appearing that upon such Substitution said Banks Caused said executions to issue from this Court upon said Decree against said John Nave & his Securities aforesaid upon the 23rd day of August 1843 directed to the Sheriff of Carter County upon which Execution & three other executions from the Circuit Court of said County of Carter said Sheriff of Carter County levied upon & sold at public Sale in pursuance & Legal form the following described lands tenements hereditaments & the property of said Nave in part Satisfaction of said execution to wit one tract of land belonging to said David Nave containing 96 acres more or less situated in said County of Carter in District No 9 adjoining the lands of the Heirs of George Carriger & Margaret Butcher lying on the Waters of Watauga River & Stoney Creek on which said David Nave now lives & upon which said tract are a Saw & Grist Mill also one other tract belonging to said David Nave estimated to contain 132 acres more or less situated in said County of Carter in District No 9 on the North side of Watauga River joining the lands of John Nave Senr & the lands of Solomon Hoover whereon said Hoover now lives which tract is composed of two pieces each other also one other tract belonging to said John Nave Senr estimated to contain 32½ acres more or less upon which said John Nave then lived & now lives & on which Defendant Isaac L Nave now also lives joining the above mentioned tract of 132 acres of said David Nave & the lands of John Nave Carrier situated in said County of Carter in District No 9 on the North side of Watauga River & which said tract of 32½ acres the said Isaac L Nave disclaims all title to in Virtue of the Conveyance in the Bill mentioned made to him by said John Nave & also one other tract belonging to said John Nave Senr estimated

to contain 150 acres more or less situated in said County of Carter in District No 10 on the waters of Stony Creek joining the lands of Alfred McCarter & others also all the right title claim & interest of said John Nave Senr of in & to an entry of land of 1300 acres as is supposed made by said John Nave Senr & said Christian Carriger on the Waters of Stoney Creek in said County of Carter in District No 10 joining the lands of Alfred McCarter & John Grimes all which said lands were levied upon as aforesaid on said several executions on the 30th day of August 1843 & after due & legal advertisement & notice were duly sold in due form of law by said Sheriff of Carter County on the 7th day of November 1843 at the door of the Court House in said County to the said Heirs Banks who by their agent Thomas A R Nelson became the purchasers thereof in part Satisfaction of said decree transferred to said Banks as aforesaid & also in part Satisfaction of said & other executions before named all which more fully appear by the execution aforesaid & the Sheriffs return endorsed upon the foregoing facts the Chancellor is of opinion & doth declare that the substitution of said Banks to the right & interest of said Christian Carriger as Executor in & to said decree & the transfer of the same to said Banks in Satisfaction of the individual debts & liabilities of the said Christian Carriger to said Banks was a bona fide upon the right of said Complainants & the other legatees of said Estate whose just demands upon said Estate remain unsatisfied & that it being clearly manifested to the Court that said Banks took the manner & interest they did with full knowledge & Notice that the same in said decree mentioned rightfully belonged to & constituted a part of the assets in the hands of said Christian Carriger as Executor of the Estate of Godfrey Carriger dec'd for the payment of the unsatisfied Legacies & debts in the will of said testator Continued the Chancellor is therefore of opinion that the purchase of the several tracts of land before described made by said Banks on for their benefit as aforesaid be fair as the same were made upon the foregoing Executions issued upon said decree transferred to them as aforesaid & was in fraud of the rights of the Complt & that under the circumstances they sold the right or title of said lands communicated to them by by said sale as trustees for the Complt & that they can derive no benefit to themselves from said purchase and it being further manifested to the Court from an instrument of writing executed in due form by said Banks by their Attorney

the fact also being admitted in open Court by the Attorney of said Banks that on the 28th day of October 1845 the said parties to the Compl't. in due form of law released from said Banks all the right title & interest acquired by them under & by virtue of or to the before described several tracts of land before described in virtue of the sale of said lands upon the said three other Executions before mentioned & purchased by said Banks as aforesaid in virtue of which said Banks have no further claim to said several tracts of land or either of them & said Comp'l. is entitled to be vested with the title & interest & title to said several tracts of land purchased by said Banks as aforesaid and it further appearing to the Court that the period of two years from the sale of said lands as aforesaid has expired & that no redemption of the same has been made or offered to be made by the Defendants in said Execution or by any creditor or other person except the redemption by the Compl't. before stated and the defendants Isaac L Nave Isaac H Brown & Margaret Hatcher having disclaimed all right & title to and in every part of said lands charged in the Bill & have been fraudulently conveyed to them severally by said John & said Nave except two & one third acres claimed by said Margaret Hatcher to which Compl't. here agrees to surrender her claim) The Chancellor therefore pleased to order adjudged & decreed that the title legal & equitable to the several tracts of land before described with all and singular the tenements hereditaments & appurtenances to the same belonging & every part & parcel thereof (except the two & one third acres before mentioned & the same hereby chancelled out of the defendants the President & Directors of the Bank of Tennessee the President & directors of the South Western Rail Road Bank the President & Directors & Company of the Union Bank of the State of Tennessee & also out of the three Debts & this Bill & the same is hereby vested in the Complainants John Savage his heirs and assigns in absolute fee simple. A copy of this Decree shall be Registered in the Registers Office of Carter County and it is further ordered that the Clerk & Master of this Court on the application of the Complainant

shall execute & give a Deed of Conveyance for said several tracts of land according to the proper boundaries of the same and it is further ordered that a writ of possession shall issue to the Sheriff of Carter County commanding him that the Compl't. is put in possession of said several tracts of land with their appurtenances

And it is further ordered that the President & Directors of the Bank of Tennessee & the President & Directors of the South Western Rail Road Bank shall pay the costs of the Banks in this cause & the Receiver the costs shall be paid by the other Defts. in receiving the costs of the Defts. Margaret Hatcher who shall not be subject to pay costs except the costs as to Defts Isaac H Brown which shall be paid by the Compl't. of Caleb Smith Decd

Pursuant to the decree of Court in this case
at the last term I proceeded to sell on the
8th day of March 1842 at the Court house
door in Elizabethtown the lands belonging
to the Estate of Caleb Smith decd having first given the notice
required by the decree at which time & place the following pers-
ons became the purchasers viz

Entry No 782 containing 100 acres was purchased by Michael
Hendrick for fifty dollars Entry No 1807 for 5 acres was purchas-
ed by Leonard Nave for one dollar & twenty five cents Entry
No 1896 for 100 acres was purchased by Joseph Martin
for twelve dollars, Entry No 2161 for 50 acres was purchased
by Isaac D Nave for six dollars & twenty five cents Entry No
2162 for 100 acres was purchased by Joseph Powell for four Dollars
The parcel of the mound tract containing about 185 acres

on the west side of Doe River adjoining the Dower tract was purchased by Eddy Oaks for Eleven hundred & Sixty three Dollars & Twelve & a half Cents

The parcel of said Stone tract on the East Side of Doe River containing 320 Acres was purchased by Hamilton & Smith for two hundred & fifty five Dollars. The tract on which the Iron works are situated containing about 50 acres was purchased by the said Hamilton & Smith for three hundred Dollars & Hamilton & Smith also purchased Entry No 3166 for 15 acres for Nine Dollars & Sixty Cents

And the interest in remainder of the of the heirs in the Dower tract containing one hundred & Fifty acres was purchased Jointly by William Ward James White & William Perry for four hundred & Eighty three Dollars. The above named purchasers being the highest last & best bidders & have given bond &c security as required by the Decree of Court.

The total amount of Sales $1884.355

At the Suggestion of the Admr Stone tract was divided into three parcels & so sold as above Stated all which respectfully submitted Mar 10, 1842. J F Deaderick C & M.

And the Report not being excepted to is also in all things confirmed by the Chancellor, who is also pleased to order adjudge & decree that the titles to the several entries & parcels of the Stone tract in the Report mentioned & also to the interest in remainder of the heirs of Caleb Smith Decd in the Dower tract, be respectively divested out of the Complt & the widow & heirs of the said Caleb Smith decd & are hereby vested in the several purchasers at the Masters Sale respectively their heirs & assigns forever according to the manner in which the same were severally sold & purchased, as shown in the report but that a lien be retained upon each of the Entries tracts or parcels of land & the interest in remainder against the several purchasers for the several sums of purchase money until the same be paid respectively it being the intention of this decree & vest the title in each purchaser to the tract of land or interest purchased by him when the amount for which the same was sold to him is paid & to secure to the said Elizabeth Smith during her life the possession of the dower assigned to her as aforesaid

It further appears to the Satisfaction of the Chancellor from the account taken by the Master in this cause & his report on the other matters submitted to him by the 2d Interlocutory decree that the personal assets which came to the hands of the Complt as Admt amount to the sum of $1534.79 that the amount paid & disbursed by the Complt as Admt or for which he became liable, before the insolvency of the estate was ascertained, is $1207.29 that the amount of Claims against the Estate filed & admitted or otherwise proved including the allowance made by the Master to Complt for his services as Admr & his Counsel for attending to the business of said Estate is $3063.36 & that the amount due to Complt in his own right from said Estate is $361.91 in which last mentioned sum is included the amount of two notes paid by the Admr to the Rogersville Bank, embraced in the said Sum of $207.29 & the allowance to Complt embraced in said Sum of $363.36 & as the said account & Report, not being excepted to, are in all things affirmed, & the same is ordered to be filed with the papers in the cause to make part of the record in this cause. It is further ordered adjudged & decreed by the Chancellor that the several Creditors of said Est receive the amount of their several Claims as Stated in said account & that the proceeds of said Est be distributed among them in the manner hereinafter Mentioned

And because it appears to the Satisfaction of the Chancellor from the pleadings & proofs taken in this cause that Complt's said two several judgments & claims against his intestate in his life time & other Claims against said Est before the insolvency thereof was known including the two notes to the Rogersville Bank in the bill mentioned the one for two hundred & fifty Dollars executed in Complts own name but for the benefit of his intestate, & the other for four hundred & fifty Dollars executed by the said Caleb Smith & because it further appears from the Masters Report & the proofs in this case, that Complts intestate was indebted to Complt by note dated 19th February 1839 & because it further appears that the proceeds of the sales of Real Estate belonging to the said Caleb Smith deceased, & the assets which have come or may come to the hands of Complt are insufficient to discharge the debts of said estate it is therefore ordered adjudged & decreed by the Chancellor that the proceeds of said estate as fast as the same can be collected be paid by Complt into the hands of the Master or be collected by the Master on the Claims filed in this cause & be distributed & appropriated as follows

1st To the payment of the costs of this suit, including the Sum of $41.66 Dollars which is hereby allowed to the Master for selling real estate property & the further Sum of $2. per day to the Sd Commissioners for their services in allotting Dower

2nd To the payment of Sd Adms allowance for his services as such & his Expences incurred about the prosecution of suits in regard to Sd Estate including the present Suit

3rd To the payment of the Sd Sum of Seven hundred dollars with the interest thereon paid by Complt to the Rogersville Bank

4th After allowing the Complt the Sd Sum of twelve hundred & seven Dollars & twenty nine cents (which includes the Sum of $500. last mentioned) paid by him before the insolvency of Sd Est was ascertained, as a set off for so much against the assets which came to his hands provided there should be assets sufficient to make the first & second payments herein before mentioned— the Master will procead & distribute pro rata among the several remaining creditors the proceeds of Sd Estate as rapidly as the same can be collected in proportion to their several demands giveing the Complt credit for his Sd demand of $500, & any other amount due him from Sd Estate not specifically provided for in this decree on the same footing as other creditors. It is further ordered by the Chancellor that so soon as this decree shall have been executed the Master shall make report thereof to this Court & from time to time shall make any further report in regard to Sd estate that may in his judgment be necessary & proper
