wants,

It further appears that there decended to said minor Defendants from their deceased Father Jason Fields, about One hundred and Twenty Acres of land lying in the 2^d District of Eastern County Tenn, but that the proceeds & profits thereof had not been found sufficient to provide for the wants & necessities of said minor children & that the sale of a portion thereof was not only for their interest but was imperatively demanded by their immediate necessities.

It further appears that under these circumstances Complt. acting for his said Wards contracted to sell about Sixty acres of said land, adjoining John Jones, Gardin Jones, & others to one B. Perkins for the price of One Hundred & Fifty Dollars. Said contract of Sale however, subject to the ratification or rejection of this most Honorable Court,

And it appearing to the satisfaction of the Court from the said Report of the clerk, based upon the testimony heard and referred to by him; that said contract of Sale from Complt. to said Perkins is an advantageous one for said Minor, and that the price agreed to be paid therefor is the value thereof.
