Balance in favor of the County  
Commissioners have in this settlement allowed Henry Heipsher the sum of  
\$694.90 its credit the amount of School money left in his  
hands - but they are of opinion now that this credit should not  
balance with money received from S. C. Leane - as the School  
money was drawn directly from the State Treasury - which leaves  
said Heipsher in debt to the County of Claiborne

# Commissioners Report

Dec 29<sup>th</sup> 1871

Commissioners R. F. Patterson & J. L. Davis appointed by the County Court to settle with the Officers of the County respectfully state to the Honorable Court that after a careful and laborious settlement as far as practicable they report the following:

They find upon the Books of Johnson Mayes Trustee of Colleton County due 31<sup>st</sup> Nov 1871 \$14902.18 $\frac{1}{2}$

There is also due on the Court House one bond ~~for~~ (with interest until paid) for 5900.00  
which makes the total of County & Court House Tax \$20802.18 $\frac{1}{2}$

The County is entitled to the following credits

For the year 1868-9 there is left in the hands of Linneas Billingsly the Precinct Collector for Court House Tax \$2454.14

For 1870 J. L. McVey Collects " " " \$3856.22

For 1871 J. L. McVey Collects " " " 4042.48

Making the Total to Collect \$10352.84

If this five ~~thousand~~ <sup>thousand</sup> dollar bond for the Court House has to be paid with its interest it will reach \$5900 - then estimating a small balance which may be due upon the other bonds in Knoxville - at \$100.00 makes the indebtedness for the Court House reach \$6000.00 - so that of the balance of Taxes for the Court House for the years 1868-9-1870 & 1871 be clearly collected there will be a surplus to the County of \$4352.84 which renders it useless to levy any more tax for the Court House

For the County Tax proper Linneas Billingsly has to collect the residue for the year 1868-9

which is estimated on his books at \$3560.11 $\frac{1}{2}$

J. L. McVey for 1870 \$1265.14

J. L. McVey for 1871 6384.66

Due from James Leardwell Clerk 189.87 $\frac{1}{2}$

which make the sum total of County Tax \$11399.78 $\frac{1}{2}$

If the amount of \$11399.78 $\frac{1}{2}$  can be clearly collected the County is indebted ~~to~~ on the day ending the year 1871 \$3503.40

Commissioners further state that they have not taken into consideration any thing which may be due from Eli Doms the present clerk of the County Court, or David Candace ~~former~~ clerk after his settlement with Merck Rodgers Dec 30 1869 - or with J. N. Luce Clerk of the Circuit Court - which will lessen the indebtedness the amounts which may be due from them. Commissioners also state that they have not taken into account any claims which J. L. McVey or Leinas Bellingsley may have paid over to the trustees of the County - which amounts to the sum of \$2,940.63 - which added to the said sum of \$3502.40 makes the sum total of the County indebtedness \$5442.03

Commissioners further state that upon settlement with D. L. Leam Henry Heipsher Reuben Nestusan & H. H. Dyer they report the following -

D. L. Leam is chargeable for the years 1861-2-3 - \$12352.93  
D. L. Leam produces receipts & vouchers to \$13567.97  
leaving a balance in his favor of \$1214.04  
but a portion of the taxes for the year 1863 is to be taken into this estimate; and the whole taxes for the years 1861-2-3 - are in confusion. One point of interest however Commissioners wish to call the attention of the Court to - D. L. Leam returns to the Commissioners two checks of deposit on the Branch Bank of Tennessee for the sum of \$2304.00 - The President of the Peoples Bank Knoxville Reports them worthless - but whether they are or not is as first set to be decided by the Court.  
Commissioners find Reuben Nestusan indebted to the County in a very small amount - about \$3.20  
Commissioners find H. H. Dyer indebted to the County in claims \$1686.00  
Commissioners find Henry Heipsher indebted to the County for the sum of \$736.83 1/2  
- Said H. H. Dyer refuses to give up the said claims to the Commissioners

the residue of taxes for the years ~~1868-9~~ 1870 & 71. Said McCoy upon last settlement was behind \$11230.68 though at present he may have vouchers for near this amount from the Trustee James Meays. How this is Commissioners cannot state.

By a careful calculation of the Trustee Books in which the County warrants are recorded or listed - there is yet due against the County the following amounts.

Commissioners will here state to the Honorable Court that Claim No 225 in the year 1866 commonly known as the Murphy claim is entered in gross in this settlement against the County. There has been paid upon said Claim ~~about~~ \$844.20 which leaves charged against the County upon the Trustee books about \$13444.36

Commissioners further state that there has been no separate account kept between the Collectors and the Trustee with regard to County and Court House Money <sup>with the exception of \$569.90</sup> and consequently the Commissioners can present no satisfactory statement about it. This can only be ascertained when the Collectors have fully settled. The Court here ~~the~~ has a fair idea how the thing stands from the following statement Benjamin Ausmus Collector for the years 1868 & 9 was due the County upon last settlement Aug 5 1872 the sum of \$343.08 1/2. S. McCoy Collector who was appointed Specie Deputy in the room of William Meays was due upon last settlement for the County and Court House Tax of \$11230.68

## Report Continued

The Trustee has on hands about \$569.90, <sup>of Court House money</sup> all of which added up makes the credit for the County amount to the sum of \$11,133.66½. This taken from the above indebtedness of \$13,444.36 leaves \$2,310.70. To this amount add the Court House Bond of \$500.00 and we have the true indebtedness \$2,810.70. To this date 7<sup>th</sup> day of October 1872. The present assessment for the year 1872 are \$3,286.24. This taken from the above amount of \$2,810.70 leaves the ~~present~~ <sup>unprovided for</sup> amount of \$4024.46 all of which is respectfully submitted.

# Commissioners Report

To the worshipful County Court of Claiborne County the undersigned commissioners beg leave to submit the following report

1st We find the entire tax aggregate for the years 1870 and 1871 for county purposes to be \$18396<sup>30</sup>/<sub>100</sub> which amount is chargeable to the tax collectors Wm Hayes and F. L. McVay. It appears from the books of Wm Hayes and Deputies and also from the Books of F. L. McVay. That said Hayes and deputies collected \$3189<sup>6</sup>/<sub>100</sub> To which amount add \$428<sup>00</sup>/<sub>100</sub> the amount shown by McVay's books and his affidavit that Hayes & his deputies collected making the entire amount collected by Wm Hayes and his his deputies — — — \$3617<sup>60</sup>/<sub>100</sub>  
Hayes and deputies paid — — — 1246<sup>88</sup>/<sub>100</sub>  
\$2370<sup>70</sup>/<sub>100</sub>

as is shown on book of settlement page 18 this leaves Wm Hayes indebted to Claiborne County \$2370<sup>70</sup>/<sub>100</sub>

Deduct \$3617<sup>60</sup>/<sub>100</sub> the amount collected by Hayes and deputies from 18396<sup>30</sup>/<sub>100</sub> the entire tax aggregate for 1870-1 which leaves \$14778<sup>40</sup>/<sub>100</sub> the amount properly chargeable to F. L. McVay who is entitled to the following credits by amount found on page 23-32 38 and 39 book of settlements \$13955<sup>52</sup>/<sub>100</sub> The said McVay was authorized by order of the County Court to take up Hayes' receipts where they were not marked paid on the book and give his own receipts in lieu thereof under which order the said McVay picked up \$428<sup>00</sup>/<sub>100</sub> allowing McVay commission on this amount and also on the \$13955<sup>52</sup>/<sub>100</sub> he is entitled to \$862<sup>10</sup>/<sub>100</sub> Commission then we have the following

McVay Dr

To Taxes charged — — — \$14778.61

By Total Commission & Receipts \$14818.37

To an improper credit  
 allowed by county court 66.95

To delinquent land levies & com. 63 84

\$14909.40

14818 37

Balance due The County is \$91.03

This leaves McVay due the county of Claiborne \$91.03cts if the court will appoint a back tax collector and collect said \$60.23cts delinquent land levies which course we recommend as most of the money is in the Clerk & Masters office and give McVay credit for the same leaving the said F. L. McVay due the county \$30.80cts

2<sup>nd</sup> We will report further to your worshipful body, that we are not satisfied with the settlement of Johnson Mayes Trustee for the years 1870-71 as shown on book of settlements but think it incorrect and we requested said Mayes to meet us with his books, papers &c so that his settlement might be overhauled & corrected if found in error but he failed to do so, We also find that the said Mayes has no settlement as to School money on book of settlements that we can understand without further records & explanations

3<sup>rd</sup> your Commissioners have examined the settlements of J. C. Rodgers revenue collector, J. N. Treece Circuit Court Clerk and Benjamin Ainsworth C. & M. and have been unable to detect any inaccuracies in them and believe them all to be correct

4th We have also examined the settlement of Daniel Carwood and believe his settlement to be correct as shown on book of settle ments page 50 the said settlement leaves the said Carwood \$10.74cts due on school money

+ 5th as to S. E. Cottrell Trustee he has not made final settlement

6th Eli Goin County Court Clerk has reported \$1326.00 and produces receipts covering the same amount and asks further time to complete his report from the 1st Monday in April 1870 to the 7th day of March 1874 inclusive

All of which is hereby respectfully submitted this 1st day of October 1877
