Will of Comfort Robinson

In the name of God, Amen.

I Comfort Robinson of the town of Sagamore, in the County of
Dorchester, in the State of Massachusetts being weak of body and
for advanced in life, but of sound and disposing mind, do
make certain and publish this my last will and testament

First and principally I bequeath my soul to the great
Author of my existence, and my body to the grave, to be
decently buried by my executors, my grave to be surmounted
with a stone or stone covering, or a stone wall raised
two feet high and of the size of the grave.

And as touching such worldly estate wherewith I am
blessed God I bless me I dispose of the same as follows,

It is my will and desire that as soon as
may be after my death and burial that my executors
hereinafter to be named, take into their possession all
my estate, both real and personal including any money
that may belong to me, and to collect same and all debts
that may be due to me, out of which they shall defray

my funeral expenses (including the expense of fixing my
grave as is herein directed, and they shall pay my just
debts should any remain unpaid at my death.

Item - To my daughter, my adopted daughter, in consid-
eration of her affection and affectionate conduct towards me
I give and bequeath my wardrobe and wearing apparel to be de-
livered to her by my executors whenever she may demand
the same.

Item - My will and desire is that my executors shall rent
my house and lot in the town of Sagamore to some one
qualified to rent with proper covenants to prevent waste, and the
rents and profits thereof during the natural life of my
husband William B. Robinson, shall be or fund in the
hands of my executors which after the payment of the
taxes of said lot they shall appropriate in whole or
part as may be necessary for the support and maintenance
of my said husband William B. Robinson during his natural

Item, my will and desire is that my executors permit my
 adopted daughter Jane Spillers to select any article of my
 household that she may choose, which is hereby given to her
 forever.
 Item, my will and desire is that my executors sell my
 personal property, not otherwise disposed of in such credit
 as will bring the best price. And after the payment of my
 just debts, funeral expenses as well as a reasonable compensation
 to my executors for their trouble and expense in executing
 my will, the balance shall be paid over by them as here in-
 after is directed by me.
 Item, my will further is that so soon as may be after the death
 of my husband, William B. Robinson my executors sell my house
 and lot in the town of Lowell upon such credit and terms as
 in their discretion will will insure the best prices, and the proceeds
 of said house and lot, any portion of the rents and profits of
 said house and lot that may remain in their hands upon the
 death of said W. B. Robinson they shall hold to be disposed of
 hereafter by me in and by my will.
 Item, because Jane Spillers my adopted daughter hath mar-
 ried towards me the affection of a dutiful child, and her
 children have ever treated me with a proper respect and because
 her son James hath accidentally become crippled for life by the loss
 of one of his hands, whereby he hath in a great measure
 been deprived of the subject of acquiring a living by manual
 labor, my will and desire is that the residue of my personal
 estate remaining in the hands of my executors after discharging
 the bequests hereinbefore made be paid in the hands of said Jane
 Spillers, and also that the funds arising from the sale of my
 house and lot, and any rents and profits that may arise from
 the same over and above what may be appropriated to my
 executors for the support and maintenance of my said husband
 Mrs. B. Robinson, be likewise paid into the hands of said Jane
 Spillers wife of William Spillers to be received and held by her
 in trust, for the support of herself and children so far as need be
 and for the education of her children and especially for the sup-
 port and education of her unfortunate son James, and I do en-
 join upon the said Jane Spillers that he use all diligence and
 industry in the improvement of such opportunities as may be af-
 forded him of acquiring an education and qualifying himself
 for a useful and honorable station in society, and I do
 further enjoin upon the said James in all suitable and prop-
 er occasions whenever he may have the means of so doing with-
 out detriment to himself to contribute some sum (be it even
 a small sum) to the Church of which I may be a member.
 Item, be it that the said Jane Spillers should die before the
 payment of the moneys herein mentioned into her hands then they

shall be paid by my executors into the hands of the proper
 and lawful guardian of the children of the said Jane Spillers
 who shall receive the same and subject to the ~~terms~~ and
 limitations herein before expressed.
 I do appoint William Houston and Peter Haroun execu-
 tors to this my last will and testament hereby revoking all
 other wills and testaments by me heretofore made.
