Will of James Carden

In the name of God, Amen:

I, James Carden, now living near Noah, in the 3^d Civil district of Coffee County, Tennessee, being of sound mind and of disposing memory, but being reminded of the approach of death, by the ills which now afflict me, and being desirous of making provision for the settlement of my worldly affairs and the disposition of my property, do hereby make and publish this my last will and testament

First I desire that any debts I may owe at the time of my death and my funeral expenses shall be paid out of any money of which I may die possessed, and if sufficient money is not then on hand in my possession, then I request, that my wife and my son Peter shall dispose of a sufficient amount of my personal property to pay and satisfy such indebtedness, such items of property to be sold as they in their judgment and discretion think best.

Second I own the tract of land which I now occupy containing about 200 acres, and composed of a tract bought of S. N. Burgen (deed registered in Book P, page 108-9 of the Registers office of Coffee County) and a small tract, or part of one & one fourth (1/4) acres bought of Nettie Saithen and others, and which joins the first tract mentioned; and an undivided three-eighths (3/8) interest in a tract of land lying in said 3^d Civil district of Coffee County, now possessed and occupied by Beatty Saithen.

(1) Of the first mentioned tract I give and bequeath to my son Peter Carden all that portion lying south of the cross fence which runs by the barn lot, to include the barn and barn lot, to have, hold and own in fee simple, reserving the right of way along the road running through said portion of land as now located, from the McMinnville road to my house as it now stands.

(2) The remainder of said tract, together with my undivided interest, as above set out in the Beatty Saithen tract of land, and all

of my personal property of which I shall die possessed, except as herein after provided, I give and bequeath to my wife Phoebe Carden, to own, occupy and use for and during her natural life. Provided, that if necessary for the payment of my debts at my death and funeral expenses, a sufficient amount of the personal property be sold as herein before indicated; and provided further, that if in the judgment of my wife there is a sufficient amount of such personal property (or when a sufficient amount of personal property shall be acquired by her after my death) that out of such personal property so on hand at the date of my death or that may be acquired by my wife thereafter from the use and occupancy of the land as herein provided, there shall be paid to each of my children the sum of four hundred dollars (\$400.00), but in making these payments to my children there shall be deducted from each sum or sums that have been heretofore paid or advanced to each, it being my object and desire that each shall be made equal with the others, and that each shall receive in all (taking into the account any sum or sums which they may have heretofore received) the sum of \$400.00 from my personal estate, or from the personal property which may be acquired by my wife after my death from the use and occupancy of my land, But if for any reason or for the reason that there is not a sufficient amount of such personal property on hand at my death, or a sufficient amount in connection therewith may not be acquired by my wife as above, then in that event they shall receive such sums as are necessary to make up said \$400.00 & to make each equal with the others, out of the proceeds of the sale or in the division of my said land as herein after provided and in the sale or division of my land after the death of my wife, after each has been made equal by the payment of the sum or sums sufficient to

make up said sum of \$400⁰⁰ Each Child is to be charged as an advancement with the account, heretofore received, so that in the final distribution all will be made equal. If any of my children shall die before the distribution of my estate, then the child or children of such shall take and receive his or her share, if there be such child or children.

Third - After the death of my wife, and her possession of my land as herein provided shall cease, my children, or the child or children of any one of them that may be dead, if any shall take, have and own in fee simple all of my lands as herein described, or of which I may die possessed in equal proportion, the child or children of any one that may die taking the share or proportion of such, and they may make such division, sale or disposition of the same as may best suit them or they deem best or most desirable, in making this final division and distribution all advancements heretofore made and to be made to each shall be taken into the account and the division so made that each share be made equal with the others real estate and personal property being alike divided equally, and all advancements taken into the account in making the distribution.

The portion of said tract of land herein bequeathed to my son Peter Carden has been paid for by him, and I should have executed to him a deed therefor, and still intend to do so, but if I should neglect the execution of said deed then this provision is made herein in recognition of his right and title. And this is not to be considered or construed or taken as an advancement to my son Peter Carden, as he has heretofore paid in full for the same.

To all my sons I confide the interests of their mother, their sisters, and of each other

and ask them in love and consideration for each other to carry out in the letter and in the spirit my wishes and desires as herein expressed for the disposition of the property which has come to my hand, and which I now leave to their enjoyment.
This Sept 23, 1898. James Carden,
