C. Cantrell and Grace Robeson.

(6)

Next I direct that any and all personal property that I have left after the compliance with the above provisions, whatsoever it may consist of (bonds, savings account etc.) shall be equally divided between my three children, namely, Bessie Hendrixson, T. C. Cantrell and Grace Robeson, share and share alike in same.

## MY WILL

I, Myrtie G. Evins being of sound mind and disposing mind hereby make and declare this writing to be my last will and testament revoking any other wills previously made by me.

I do this at this time, in part, because my late husband in his will requested that I make my own will as soon as reasonably possible after his death and in accordance with that request, I desire that the property both real and personal of which I am possessed at the time of my death be disposed of as follows:

First, I desire that all just debts of mine including taxes and funeral expenses be paid first from any funds left on hand or from the proceeds of the sale of any property made necessary for the purpose.

I desire that my son, Joe and the children of my late son W. J. Evins each have a home of their own, and to this end I have seen to it that a deed has been made to the old home place on East Main Street to Joe for his own and his family. I have left deeds to the house and lots both in Smithville and Lebanon for my grandson's Eddie and Danny. The W. J. Evins former home place on McMinnville st. in Smithville (The George Buccner place) to go to Eddie and the house on Fern. Ave in Lebanon to go to Danny. I have helped Jack my oldest grandson with payments on his home in Smithville including payments of notes for additional farm lands purchased to go with the place and consider my aid of gifts to be equal to value of the other home places here mentioned. My granddaughter Myrtie Ann Evins took with funds for the purchase and payment on her home in Livingston Tenn. and consider therefore that I have helped all in purchase or possession of a house for themselves and their families.

In addition I wish to make the following specific gifts and bequests. The boat dock notes unpaid by Jack are to be cancelled, and the indebtedness as to me or my estate not paid for, it is my desire that Jack has the franchise and lease, and all the equipment and boat dock business complete including my boat (House boat) complete for his own which I consider is substantial, I also give to Jack the 300 acre, more or less. Carl Love farm.

I give to my grandson Eddie the block garage building and adjacent lot in Smithville known as the Smithville Motors, The property presently leased and used by Charles Foster Dearman I give to Eddie The Mammy Evins old home place on West Main St. in Smithville including residences barn and lands connecting with this property.

I give and bequeath to my grandson, Danny Wood Evins, who is in the Marine Corp Service the two brick buildings in Lebanon on East Main st. The building property occupied by the Wilson Buick Motor Co. and the Bandys pressing shop building on businesses. These two buildings are leased I, give to Danny the leases with this property including any income from these leases.

I give and bequeath to my granddaughter, Myrtie Ann Evins Doak The Hotel Edgar Evins property on Main st. in Smithville and all the furnishings complete, I also give to Myrtie Ann the two rent house near the flower house one where Mr. & Mrs. Frank Blackburn occupies and the little brick house last built by my late husband and now occupied by a soldier and his wife and family.

I give to my son Joe L. Evins the filling station property, owned by me. The Shell Station at Lebanon on Main St. across from The West Side Hotel, The Shell Station in Smithville occupied by Roy Conger on the corner of Main & McMinnville Sts. In Alexandria, The Shell Station occupied by Haleys, across from the new bank building-and The Chevrolet garage and agency building now occupied by Turner Chevrolet Co. in Smithville.

I have previously given to my son Joe, my bank stock in Smithville and Liberty.

I bequeath to my seven grandchildren the following property. The store building now occupied by Jno Williams to Jack Evins. The store building now occupied by Billy Estes to Eddie Evins, the pressing shop building to Danny Evins, the store building now occupied by A. J. Hayes Sr. to Myrtie Ann Evins Doak, The Locker building and building occupied by Smithson & Calhoun to Joanna Evins. The cafe building now leased to Dr. VanHoosier to Jane Evins, and P.M. a office to Mary Evins. Should any of my grandchildren desire to sell these building I desire they sell them to each other, rather than any outsider.

I desire that the proceeds from the sale of any other property be equally divided between my son Joe and the children of my son W. J. Evins including the division of any cash on hand at the time of my death or that may come into my estate.

It is my desire and I know it was the desire of my late husband that my children keep their homes, and conserve their businesses and their property, It is also my wish and my earnest desire that there be no law suits or litigations over these bequests or my will-But that understanding and love may exist between all my children.

I will \$1000. (One Thousand dollars.) to my own dear brother Landon, and \$1000, (One Thousand dollars) to my Dear Sister Certye should either or both survive me. And I will, a deep and abiding love to all the other remaining members of my family and the family of my Dear Husband Edgar and to all my grandchildren, who will always, I hope & pray-live and lead upright and useful christian lives.

I hereby appoint & nominate my only surviving son Joe L. Evins to be my Administrator or Executor of my will, and my affairs knowing and having full faith and confidence in him to be just and fair in all matters.

May God bless you all and keep you my children.

## "LAST WILL AND TESTAMENT OF W. O. WOMACK"

March 8, 1953

KNOW ALL MEN BY THESE PRESENTS:

I, W. O. Womack, of the City of Liberty, Tennessee, County of DeKalb, being over the age of eighteen, and of sound mind and memory, and not acting under duress, menace, fraud, or undue influence of any person whomsoever, do make, publish, and declare this my last will and testament, and I do hereby expressly revoke all other and former wills and codicils to wills made by me.

I

I devise what real & personal property I may die possessed with to my beloved wife, Pauline Womack, to have and to hold to my wife Pauline Womack, during her life, and from and after her decease to be divided equally to my son Jimmie Cain Womack and my daughter Brenda Sue Womack, their heirs and assigns, forever, in equal shares as tenants in common.

II

I direct as soon after my death as practical my executor hereinafter named pay all my just debts and funeral expenses out of the money on hand, or the first that shall come into his possession.

III

I hereby nominate and appoint my said brother W. I. Womack, executor of the will, and excuse him from making bond or settlement with the County Court.

IV

I will also state further that I have confidence in my wife, Pauline Womack, to see that our children are educated and given a chance in life, so long as they honor, respect and cooperate with her for their best interests of which I feel she has at her heart. To my children, no man hath a greater love for you than I have had on earth. It was always my joy to see you grow and develop your mind and body into fine man and womanhood. Children always be upright, honest, truthful, sober, good Christians, and respect and show love to and for the only MOTHER you will ever have, and who is the best friend you ever will have. She will help you and you, for she loves you and will see you through school, that is the reason I have left my will the way you read.

This March 8, 1953.

/s/ W. O. Womack

We hereby certify at the request of W. O. Womack that we have witnessed the execution of the foregoing paper as his last will and testament, he having declared the same to be his last will and testament and signed the same in our presence and we signed in his presence and in the presence of each other.

In case anything happens to me as a result of my operations, see that things are carried out in a manner similar to this.

Sell my office building to cover expenses. The home & contents which papa deeded me I want to go back to his estate to be divided equally among his children.

My insurance is made to Ruby, but will not amount to much, as I borrowed on it to buy car.

My teacher retirement is made to Martha Ann.

See that Cora gets \$207.00 plus what she should have for making garden.

Make sure that Fannie get \$400.00 & int. plus some other which I owe her.

She will know.

Put \$250.00 on Savings Account for Sammys Jodean Young, as she is my name sake-Give Forrest Conger Young \$250.00 and ask him in the name of his Aunt Jodie to quit drinking.

Sell car to help meet all expenses and then divide any extra, if there should be any, among my brothers and sisters.

Give my rings to Martha Ann. Anything I have left out use your judgment about.
