Do do cil I Solomon Jouin after much deliberation
have concluded to make the following code cil to my
three ^{and} which is dated the 4th Novr 1851 to wit . .
As the property by which said Will is given to Charity
Hannum ^{and} her children I want to go to my daughter
Elizabeth Sick ^{and} her children ^{and} therefore I now hereby
make all that portion of my Will which gives property
or money to Charity Hannum and her four children
George & James & John William said I now hereby give
to my daughter Elizabeth Sick for life for her sole and
separate use ^{and} then to all her children equally named
children of deceased parents to them in their place all
the property which I may have at my death except
what is given to my wife for life . To go to said Elizabeth
^{and} her children Just as her share is given to her ^{and}
her children in the original Will of the property which
I have given to my widow I wish my Grand Son
Daniel Sick whether she dies before me or after
to have two of the negroes to wit ^{said} Betsey Should
die before my wife then Daniel is to have said two
negroes at his death otherwise he never get them when
I die all the rest of the property given to my wife

for life at the death is to go to my children and their children
 Just as the other property Daniel to have a full share
 exclusive of the two negro my reason for so doing is
 that Daniel is deaf and he has always been very kind
 to me. My reason for cutting these negroes and children
 entirely out is the bad treatment I have lately received
 at their hands done this 23rd of July 1859. ^{his} ~~the~~ ^{James} ~~James~~
