Nuncupative Will

We Agree W. Farr and Houghs W. Taylor do State this Nuncupative
Will of James Mays made by him on the 17th Day of September at
night in the year of our Lord 1842 in our presence to which we have
themselves requested to be attested by the Testator himself in the presence
of each other that is to say made in his last sickness in his own habit
of mind and sound mind. And the same is as follows to wit: It was
his Will and desire that his effects should be disposed of after his
decease in the following manner. We the signed Witnesses the Testator
of James Mays and disposing memory. Wrote I wish that my Son
Hornay Mays Eliza A Taylor and Daniel C. Crumichael be my Executors
I hereby wish that an equal Division of my Estate be made among
all my Children and in that respects the Sales have made as good
a Will as I want. Finally I borrowed five hundred Dollars from
Estlin Williams for my son William and I am also bound for a
Debt that Williams is owing to Daniel C. Crumichael which Debt
I intend shall be paid and said Debt and the five hundred Dollars
borrowed from Williams I want to go out of Williams part of the
Estate. Finally I wish the Land that Eliza & Hornay lives on to be
valued exclusive of the improvements that they have made on them
for they have put them there and I am unwilling that they should
have them to pay for Fifthly I wish my Executors to consult among
themselves what property they had best sell to make money of to pay
my Debts. Intended before signed made out by us and signed
