Recorded 12th May 1846

Will

In the Name of God Amen

I Andrew Coffman of the County of Grainger and State of Tennessee being now and in firm heart of perfect soundness of mind and disposing memory do make and constitute ordain appoint & publish this my last Will and Testament hereby revoking all other Wills by me made

I recommend my immortal part to God who gave it

I recommend my body to the Earth from whence it came to be buried in a decent Christian like manner

I Give and bequeath unto my four sons to wit, David Thomas, Andrew and Barton Coffman the plantation whereon I now live said to contain two hundred and eighty acres to belong to said four sons and their heirs forever with all the improvements on the said Land

I Give and bequeath unto my said four sons David Coffman, Thomas Coffman, Andrew Coffman, Barton Coffman and my Daughter Mary Milledan all my personal property not otherwise disposed of in this Will

Following my Grandson Daniel Knox son of David & Mary Knox
 to have and equal share with my sons David Andrew Thomas and Boston
 Coffman and my Daughter Nancy Millican provided the said Daniel
 Knox shall apply to my Executors within five years after my death
 for his part and if said Daniel Knox shall fail to apply in five years
 for his part it being one sixth part of said perishable property as apportioned
 then and in that case my said son and my Daughter Nancy
 Millican is to have the whole as mentioned in the last part of this will
 and that Nancy be fully understood on this part of my will is that
 my Executors divide my perishable property not otherwise disposed of
 in this will into three equal parts as to them may seem right and that
 my sons before named and my Daughter Nancy Millican each have
 one share and part and that my Executors are to sell that which may be
 laid off for Daniel Knox if he is not present to receive it to the first bidder
 on twelve months credit and the money arising from said sale shall
 + belong to my said Grandson Daniel Knox if he apply for it in five years
 after my death and if he fails to apply for it in that time then and in
 that case the part that said three heirs fall to share is to be equally divided
 + between my four sons before named and my Daughter Nancy Millican
 apportioned and then and in that case the whole of said property is to belong to
 them and their heirs forever. But if said Daniel Knox applies for his
 part then within the time named then each of them is to have one
 sixth part as before named and in all cases the desire of my Executors
 is to be final and as effectual as if done in the said Supreme Court and
 my will further is that my Executors divide the said balance my four
 sons as apportioned according to quantity and quality and that Division
 shall be final and conclusive. But if my Executors cannot conveniently
 + divide the said balance into four equal parts of which they are to be the judges
 then and in that case they are to sell said land on a credit of twelve months
 to the first bidder taking bond and good security for the payment of the
 purchase money and when the money is collected divide it equally between
 my four sons as apportioned to belong to them and their heirs forever and if in
 any case my said Executors cannot agree then and in that case they have
 power to sell in a market and a decision of them shall be final as if
 done by my Executors save my wish is that all the devise be made without law
 My will is that all my Hairs that I shall own at my death with any income
 they may have after my death shall be let free and not belong to any Woman
 living and that my Executors receive what money I may have on hands
 at my death in their hands untill said Hairs are let free and that when
 said Hairs are let free said Executors are to divide said money between
 said children as they may think best for their benefit of said Child
 people after said Executors retaining out of said money a reasonable
 compensation for their trouble and I do hereby appoint my Trusty friends
 + Ellis Briggs and James Cammishail for my Executors and allow them
 to act as such without giving bond and security In Testimony Where
 of I have hereunto set my hand and seal the 30th Day of April in the year
