William Barnett's Will

In the name of God Amen
I William Barnett of the
County of Hardman and State

of Tennessee knowing that I am mortal and liable
to die (though in tolerable health at this time, and in
the proper exercise of my reason) and feeling desirous
to have peace and good will in my family after my
death, I have therefore made this my last Will and
Testament, renouncing all other.

Item 1st My will and desire is that my long loved
Redeemer shall take my soul to himself, and that
my friends decently bury my Body.

Item 2^d My Will is that God take care of my
dear family, and that the Cumberland Presbyterian
Church of which I have long had the honor to
be a member. Should feel bound to care for
watch over, and aid my family through the
word to a better one.

Item 3^d My Will is that and my just debts be
paid out of my property, or money on hand at
the time of my death.

Item 4th My Will and desire is that my dearly beloved
Wife Betsey, and my four children Naomi, M^cElly
Barnett, John, Jackson, Barnett, William & Hans
M^cGeo Barnett and Finley Erving Barnett, all live
together on my tract of land, on the waters of Wolf
River in Hardman County Tennessee state, and that
the whole affairs of the family be carried on under the
direction of my dear Wife and my brother Robert W
Barnett and Samuel Lambert.

Item 5th My Will is that two small tracts of land,
one containing sixty eight acres, and the other seven and
some poles deeded to me by Anthony Lambert, and
on which Samuel Lambert now lives, that the same
be deeded to my daughter Martha D Lambert and
her husband Samuel Lambert at the valuation of
my Executors as good land.

Item 6th My Will is that my two youngest sons
William & Hans M^cGeo Barnett, and Finley Erving
Barnett be sent to the Cumberland College, and there
receive a classical education and that the expenses
arising therefrom be paid deeded from their proportionable
part of my estate.

Item 7th My Will is that should any more of my
children come of age or marry, I wish my Executors
to give them such a division of my property as they
may think best, estimating it at such a value
and take their receipt for the same so until my
youngest son be twenty two years old, and then to
make such a general division of my property (taking
into the account what they have received) as will
make their divisions equal a just. so as for my

Wife always to have a comfortable support during her natural life, and then for all the property or money to be equally divided amongst my five children.

Item 8th My will is that should any of my dear children become maimed or disabled either in body or mind so as to need more pecuniary aid than they otherwise would do, that my executors at their own discretion give them more than the rest of my children.

Item 9th My Will is that my interest in a partnership tract of land in Christian County Kentucky containing three hundred acres held by me brother John Barnett James Y Barnett, Robert W Barnett and myself the price of said land is to be divided agreeably to an article held by brother John Barnett what is coming to my heirs of the price of said land when sold I wish laid out for the benefit of my heirs at the discretion of my Executors.

Item 10th My Will is that a Black woman whom I bought of Robert Spear and her bill of sale is in my name by the name of Mary, that she and her increase be given to my sister Sabella Biles and her heirs for their benefit.

Item 11th My Will is that none of my servants viz Gilbert and his wife Aggy and their children, which they now have or may have, Mary Ann, and Randal be sold out of my family unless it be their choice but divided among the heirs by my Executors.

Item 12th My Will and desire is that for and in consideration of the love I have for, and the interest I feel in the well being of my stepson Alfred M Shelby that when my Executors collect and have money on hand that they give

the above named Alfred M Shelby the sum of three hundred dollars at such time and in such a manner as to seem to him, for his personal benefit the above sum of three hundred dollars.

Item 13th My Will and desire is that my old friend Joseph Lynn, my dear wife Betsey Barnett Robert W Barnett and Samuel Lambert execute this my last will and testament. And that my brother John Barnett be clothed with all the power of an Executor in the distribution of my property among my children.

In Testimony of this being my last will and testament I have hereunto set my name in my own hand writing this 20 day of August 1827
