William Casey Will.

I being sick and weak in body but of sound mind and memory calling to mind the uncertainty of life & the certainty of death do make this my last will and testament, revoking all others. I.C.

I commit my body to the dust from whence it was taken and my soul to God who gave it.

As respects my worldly goods which God has been pleased to bless me with I dispose of them in the following manner Viz. - 1st Let all my just debts be paid out of my Estate - 2^d I give and bequeath to my beloved wife Catherine Casey the following described property viz 1 Tract of Land whereon Spencer Ellingham now lives also one negro man named Edw, one Negro woman named Abiah, & her two children named Ada & Mary Also so much stock farming utensils household & kitchen furniture as my beloved wife and my Exors shall deem necessary for the support of my wife and family. The above described property at the death of my wife, to be divided equally between my said wife and the children, in case of her death before my youngest child becomes of age, I wish so much of the above property as is necessary appropriated to the raising and education of the said heirs, and the remainder divided as above directed. Further my wish is that that of Land whereon Emory live shall be sold to the highest bidder giving a credit of one or two years hereafter my beloved wife and Exors should think it more conducive to the interest of my heirs to hold it in lease until some future period. Further my will is that my half of the mill or better lately belonging to Henry Brown together with all my interest in the property belonging to the 2^d firm of Sady Brown be sold to the highest bidder giving a credit of one and two years. Further my will is that my Exors shall from time to time as my children shall become of age

or man is give them so much as they in their wisdom shall see fit. I give to my son Randol Casey all my interest in an occupant claim on Wolf Run which is one half of the occupant days at the annual claim in the Eleventh Surveyors District in the name of Mungro & Clark for two hundred acres.

I further wish my two Negroes not yet mentioned Daniel and Lacey sold at the highest bidder, giving twelve months credit. I also wish that John the Negro man I left my wife if he becomes unmanageable and my wife wishes it that my Exors sell him to the highest bidder as the other two above. I also appoint West Maniff, William Whitaker and McGraw my Exors. In Testimony Whereof I have hereunto set my hand and seal this 10th day of Nov^r in year of our Lord 1828.
