State of Tennessee In pursuance of an Order to us the undersigned Director being
 appointed by the County Court of the said County - for the purpose of settling with the said
 Executor of the Estate of Moses Baldwin &c We have given into his hands all
 the said Joseph Barnes accounts relative to the said Estate, the sum of four
 thousand six hundred and seventy seven 77 Dollars subject to a credit for Wm Gately
 2 Notes - One for twenty four Dollars due 24th Oct 1834 - the other for 40.00
 due 1st June 1834 - upon neither of those Notes did the said Gately file a suit against
 said Adair or the individuals against whom said Notes are due is at least in
 very doubtful condition and has been so since said Notes were executed,
 and we further find on hand William Williams Note for six hundred dollars
 due 8th September 1835 - upon which note we carried the interest and charged
 the same to the said Administrator, this Note is perhaps good altho. there is a
 doubt of it, we also find that there yet twenty five Dollars of balance of the last
 of 1835 yet to be disposed of when one said Administrator will be discharged
 with the powers thereof, as Master of our Lands and Deeds this 30th Sept 1837
